*If I call "911" I want to be found! I absolutely do not want the emergency response team to drive all the way to the end of W Gallaher Ferry Road and have to turn around while my child or someone else in my family might be in a situation where seconds could mean life or death!

Thank you for considering this.

Sincerely,
Stacy Galloway

Ladies and Gentlemen:

We, the undersigned residents of 2927 – 2951 West Gallaher Ferry Road (Goose Landing Subdivision), respectfully request to maintain our current address street name as West Gallaher Ferry Road. The first house built on our street was in 1982 and the last house built was in 1991; therefore, our addresses have been West Gallaher Ferry since the early 1980s.

All the homes have been with the same Address for at least 15 years, and it would prove to be such a hardship to go through the address change after all those years. We would have address changes for work, school, church, utilities, mortgages, bills, health, etc. We have a Subdivision sign at the start of our road that has our house numbers and street name " West Gallaher Ferry" printed on it (Please see the attached picture).

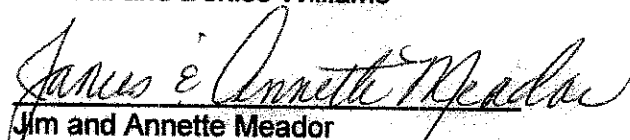

Our road has been there since 1981 and we believe all emergency response personnel and mail carriers are familiar with our location.

Thank you for your consideration of our situation and request to keep our street name unchanged.

Sincerely,

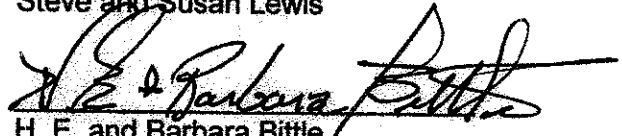

Randall and Denise Williams
