South: Residential subdivision / PR (Planned Residential) @ 1-4 du/ac
East: Residential subdivision / PR (Planned Residential) @ 1-4 du/ac
West: Majors Rd. - Dwelling / A (Agricultural)

NEIGHBORHOOD CONTEXT: This area is developed with rural and low density residential uses under A, RA and PR zoning.

STAFF RECOMMENDATION:

▶ **APPROVE RA (Low Density Residential) zoning.**

RA zoning is compatible with the surrounding development and zoning pattern and is consistent with the sector plan proposal for the site.

COMMENTS:

NEED AND JUSTIFICATION FOR THE PROPOSAL

1. RA zoning is compatible with the scale and intensity of the surrounding land uses and zoning pattern.
2. There are numerous low density residential subdivisions in the vicinity of this site, zoned PR, including one directly south and east of the site.
3. The RA zoning will allow this 2.5-acre property to be subdivided into lots of no less than 10,000 square feet in area, which would allow the property to be subdivided for additional detached residential development.

THE EFFECTS OF THE PROPOSAL

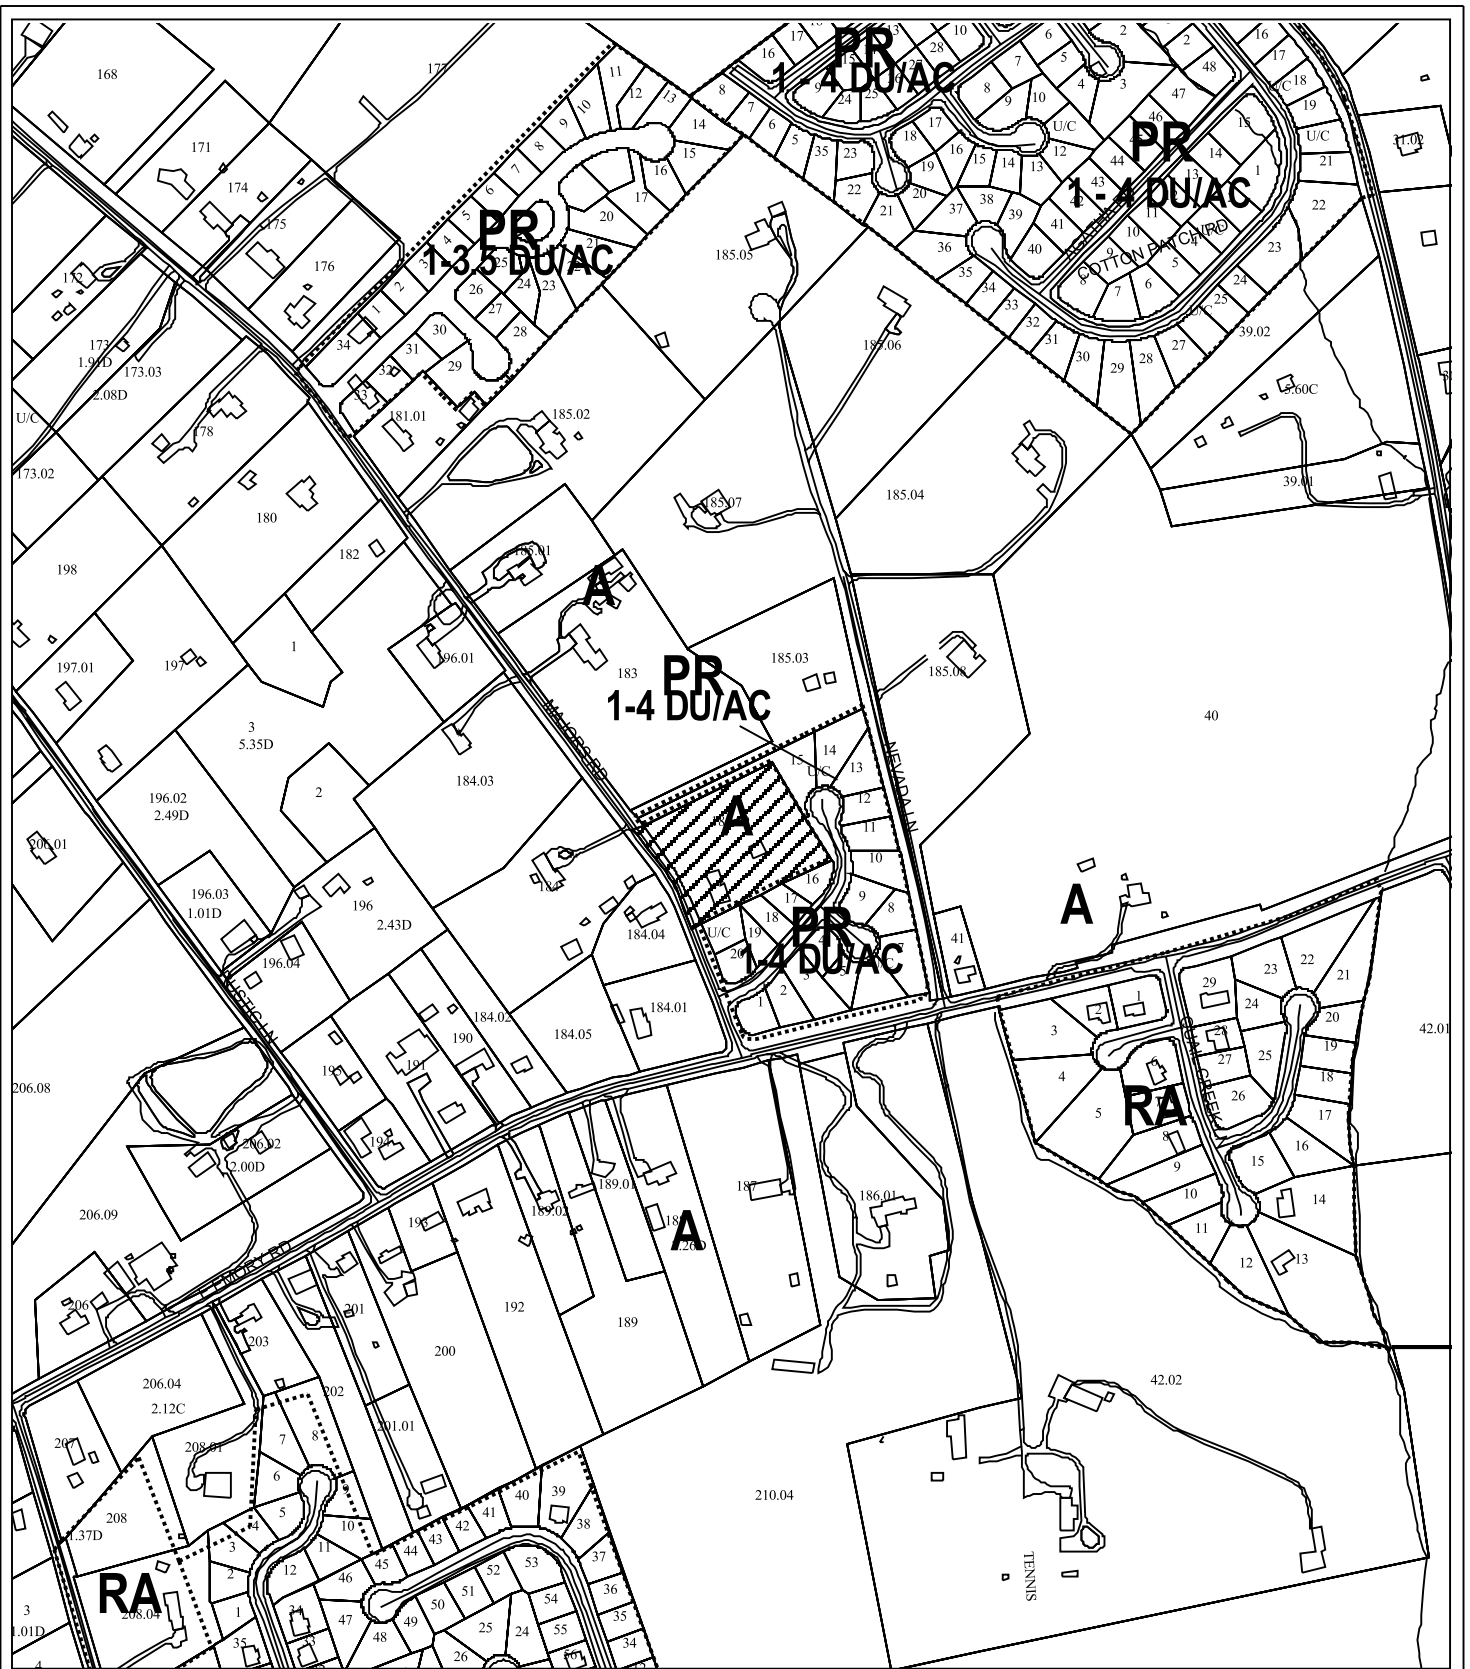

1. Public water and sewer utilities are available in the area to serve the site.
2. This proposal will have minimal impact on schools and the street system.
3. The proposal is compatible with the surrounding zoning, and the impact on adjacent properties should be minimal.
4. In order to subdivide the subject property, the applicant will be required to dedicate right of way along Majors Rd., as part of the platting process. The Knoxville-Knox County Major Road Plan requires a dedication of 30 feet from the centerline of the right of way in this section of Majors Rd.

CONFORMITY OF THE PROPOSAL TO ADOPTED PLANS

1. The Northeast County Sector Plan proposes low density residential uses for the site, consistent with this proposal.
2. The site is located within the Planned Growth Area on the Knoxville-Knox County-Farragut Growth Policy Plan map.
3. This request could generate similar requests for RA or other residential zoning in this area, consistent with the sector plan proposal for low density residential uses.

Upon final approval of the rezoning, the developer will be required to submit a final plat prior to further subdivision and development of the property. The plat will show the property's proposed subdivision and means of access.

If approved, this item will be forwarded to Knox County Commission for action on 12/18/2006. If denied, MPC's action is final, unless the action to deny is appealed to Knox County Commission. The date of the appeal hearing will depend on when the appeal application is filed. Appellants have 30 days to appeal an MPC decision in the County.
