Subject: Agenda Item 91

Dear Mr. Donaldson,

My work schedule does not permit me to attend the MPC meeting tomorrow, but I wish to voice my strong opposition to the rezoning request for 8741 Badgett Road by Forestbrook Development, Agenda item 91.

I am a resident of Gammon Way, and I drive Tooles Bend Rd. every day. This is a narrow winding road and is an inappropriate location for an apartment complex. It would be irresponsible to add this much traffic burden to Tooles Bend Rd., not to mention detracting from the rural character of this neighborhood.

To call it Forestbrook is kind of funny, since they would level any forest, and there's not a brook.

Respectfully,
Dan Gammon
