Subject: house on Kingston Pike

Mark: There is a zoning issue coming before MPC soon on a house in the 4300 block of Kingston Pike. Two guys want to put buy the house to live in and then put their business in it which is a beauty shop. Kingston Pike is much too busy in that area with Western Plaza there and the Montesorri School. We do not need another business right there. And even more so, it is an encroachment on the neighborhood. Kingston Pike is gradually being destroyed by businesses and churches. Could we not try to keep more of our historic houses from being used for businesses? Thank you for your consideration.
