RE: Rezoning of Snyder Road

Mr. Pruitt,

After consulting with my clients on the above referenced matter, we will amend our original request of 8 du/ac to 6.5 du/ac. We intend to do a high quality development and do not want the neighborhood to have the false impression that we are loading up the property beyond what is reasonable.

Even though it appears that we may be able to do the project with less than 6.5 du/ac it gives some flexibility if the market should shift during the process.

Please consider this our formal notice to amend to 6.5 du/ac.

Call me if you have any questions.

Sincerely,

*Robert G. Campbell, Jr*
