After speaking with the leader of the Highland Drive neighborhood rezoning committee (they rezoned in Sept. to r-1 EN) She stated that it would be a good idea for all of us to EMAIL MARK DONALDSON AT THE MPC OFFICE OF OUR DESIRE TO APPROVE THE REZONING.

PLEASE do so if you are in favor of this rezoning. This will allow Mark to have something to go on PUBLIC RECORD and will help us the further this rezoning along when we meet before City Council.

His email is: Mark Donaldson, Executive Director, MPC
mark.donaldson@knoxmpc.org

I will label it as Adair/Woodcrest Drive rezoing to R-1 EN and state my approval with my address listed also.

Thanks,

Beth Nelson

Hello Mr. Donaldson,

We met a couple weeks ago at the COIN meeting.

As we discussed, the movement to protect the character of larger lots in Fountain City has begun and the W. Adair/ Woodcrest area is looking to do the same.

I request that you approve the rezoning to R-1 EN for our community to curtail multiple homes being built on these longer lots, similar to what has been built recently on W. Adair across the street from where Seminole intersects with W. Adair Dr. (yuk!)

Thank you and look forward to seeing you Nov 1 at the church on Highland Dr.

To Whom It May Concern:

I am writing to pledge my support to the rezoning request for the Seminole/Woodcrest neighborhood that is coming up for first reading at the November 8 th meeting of the MPC. The neighborhood has many unique features and we have had several neighborhood meetings and are in general agreement that we should preserve our land the way it currently is. I am unable to make the meeting this coming week but wanted to voice my support for the proposal.

Sincerely

Shelley Newman
