Subject: R-1EN Rezoning - Item #82 on Agenda of 1/10/08

Dear MPC Commissioners:

I will be unable to attend tomorrow's MPC Meeting. I respectfully request that you approve the re-zoning request for R1 to R-1EN for the Sherwood Forest, Ridgecrest, Casle Heights and Belcaro neighborhoods. Fountain City has long been an area of older well established neighborhoods with a mix of Craftsman Bungalow, Post WWII ranchers and other relatively modest homes with fairly large lots. We want to maintain this for our areas.

Thank you,

Robert A. Davis
