Metropolitan Planning Commission (MPC)

SUBJECT: Request for permission to use two non-standard street types (suffix) in Edwards Place Sub-Division

Dear Mr. Kelly,

Please allow the use of two non-standard street names in Edwards Place. MPC File # 12-SFF-07-F. Our request of the use of these street names has been placed in "Pending" status by MPC Addressing department subject to MPC approval

Please permit us to name the entrance street to Edwards Place sub-division **Edwards Place Blvd** also allow us to name an Edwards Place side street **King Edwards Court** for historical reasons. This is being requested to honor King Edward I commonly known as one of the top 100 greatest Britton's in English history. Edward I (17 June 1239 - 7 July 1307), popularly known as Longshanks, also as "Edward the Lawgiver" or "the English Justinian" because of his legal reforms, and as "Hammer of the Scots", achieved fame as the monarch who conquered Wales and tried (but failed) to do the same to Scotland.

Your approval of this request would be much appreciated. If further justification is required or if you have any questions please contact the undersigned at 691-7573.

Sincerely,

A handwritten signature in black ink, appearing to read "Larry B Northcutt".
