

# We're the Wavemakers

"Thou shalt be called the  
repairer of the breach, the  
restorer of paths to dwell  
in."

Isaiah 58:12

## POND GAP AREA

### NEIGHBORHOOD ASSOCIATION, INC

Home of Knoxville's First Airport and the Knoxville Drive-In Theater | 2 2008

11/12/08

Case # 11-D-08-UR

We have no objection to placing of telecom tower at site (indicated by sign) at 4600 block of Papermill.

We appreciate the spirit of civic mindedness by T-Mobile and Mr. Green.

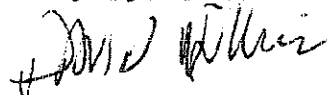

We look forward to working with them to beautify the site and in allowing us to place a marker to note historic aspects of our Pond Gap neighborhood.

We have stated our concerns that heavy trucks (used in installation process) use the marked truck routes in the area (Papermill). Also we noted actual location would not interfere with our desire to rebuild the Forest Heights bridge on former location.

We have also spoken with Dr. Prevost, property owner, about this project and our desires.

David Williams, President
