I, Johnny Chamberlain, would like the following properties to be excluded from the rezoning

This is scheduled for February 12, 2009.

**Dear Mr. Pruitt:**

**Please exempt the 3 properties that we own above from the proposed rezoning. We would like these properties to remain zoned R-2 as these properties were purchased based on that zoning and their value would be greatly diminished if they were rezoned to R-1.**

Sincerely,
