NOTES/COMMENTS:

TO WHOM IT MAY CONCERN:

We are **OPPOSED** to the rezoning requests regarding MPC Agenda Item #40 for the November 12, 2009, meeting. These requests to rezone to Neighborhood Commercial are not in keeping with the local community. This location is already the subject of traffic problems associated with schools and residents. Increased traffic caused by a commercial business would degrade the quality of life in our neighborhood and increase the endangerment of our school children.

Dear Mark,

I am OPPOSED to the rezoning requests regarding MPC Agenda Item #40 for the November 12, 2009, meeting. These requests to rezone to Neighborhood Commercial are not in keeping with the local community. This location is already the subject of traffic problems associated with two schools close by and many residents. Increased traffic caused by a commercial business would degrade the quality of life in our neighborhood and increase the endangerment of our school children.
