I am Angelia Kelley and I reside at 9600 Gunnies Dr, Kodak, TN 37764 in River Island subdivision. I want to ask that you do not re zone the 3rd phase of River Island. When we purchased in this subdivision we were told that property was going to be additional homes. We have lived here for 2 yrs and we have addition 7 lots.

Since we have lived here we have had to deal with a lot of things. ( examples: Developer causing run off into the streets, digging ditches across property for a watering system that caused multiple problems.) I could go on and on about thing that was suppose to be done that hasn't happened.

I would like for someone to also check into why Mr. Layman is able to pay Green belt taxes on Res zoned property. I have ask and no one can tell me or understand what that means. Green belt taxes are for land that is Ag for a lower tax rate. Sincerely,

Angelia Kelley
