MEMORANDUM

Agenda Item # 58

DATE: July 12, 2010

- **TO:** Metropolitan Planning Commission
- **FROM:** Dee Anne Reynolds, Finance Manager

SUBJECT: Request approval to pay KGIS \$19,738

This is to request approval to pay Knoxville / Knox County KGIS \$19,738 for the ESRI GIS annual software license / maintenance. This is the second of a three year contract between KGIS and ESRI awarded through Knox County purchasing department. The contract allows other eligible Knox County entities, including MPC, to use the software license. The KGIS Policy Board set the annual maintenance fees for MPC and other entities.

MPC financial procedures require payments over \$10,000 be approved by the full Planning Commission unless: budgeted in a separate line item; contract encumbered and on file with Knox County; or grant related. None of these exceptions apply; therefore, the full MPC board needs to approve payment of the invoice.

Staff Recommendation: Staff recommends approval of the payment.

<u>MPC Executive Committee Recommendation</u>: The Executive Committee will meet August 10, 2010 and forward to MPC board for the August 12, 2010 meeting and vote.

Agenda Item # 58

Billing Statement for the 1st Quarter FY2010 - 2011

APPENDIX G

Prior to any Deployment to an Eligible Agency, KGIS shall require each such entity to be contractually bound to the terms of the License Agreement by executing an Eligible Agency Acknowledgement Statement. KGIS shall keep a copy of the signed original acknowledgement for its records and forward a copy of the original to ESRI ESRI may pursue remedies against KGIS or an individual Eligible Agency for material breach of the License Agreement. Only KGIS has a right to Deploy the Enterprise License Software identified in Appendix A

ELIGIBLE AGENCY ACKNOWLEDGMENT STATEMENT

Environmental Systems Research Institute, Inc. (ESRI), 380 New York Street, Redlands, CA 92373 and 2008ELA7406 ("KGIS or Licensee"), have entered into an Enterprise License Agreement (ELA) identified as Agreement No 2008ELA7406, for licensing certain ESRI Software, the provision of maintenance and [insert other items here if applicable] ESRI has authorized KGIS to Deploy specific Enterprise License Software to specific subsidiary companies that are Eligible Agency entities Deployment by KGIS of Enterprise License Software to each Eligible Agency and its use of the Enterprise License Software is subject to the terms of License Agreement contained in the ELA and the additional requirements below

Accordingly, <u>The Metropolitan Planning Commission (MPC)</u> ("Eligible Agency"), as a Licensee, represents it has received and read the License Agreement, and understands, and agrees to be bound by the terms of the License Agreement No 2008ELA7406, and the below additional requirements for use of any Enterprise License Software Deployed by KGIS to it Eligible Agency agrees that ESRI may pursue remedies against Eligible Agency for material breach of the License Agreement or the below additional requirements. All Deployments made by KGIS to Eligible Agency shall be made through KGIS Management Office centralized point of contact. Eligible Agency shall be provided updates and Technical Support through KGIS's Tier 1 Help Desk.

1) Unit Priced Items, if acquired, and Rolled-In Software shall be licensed for use in accordance with the License Agreement

2) Beta licenses are not available Therefore, Section 3.2, Beta License in the License Agreement, is deleted in its entirety.

3) Section 3 4, Consultant Access in the License Agreement, is modified such that use of any Enterprise License Software is restricted to use by consultants and contractors who are working for the sole benefit of Licensee while (i) working on-site at Licensee's facilities or (ii) using Licensee's computers or machines

4) Eligible Agency remains subject to U.S. Export Control Regulation requirements as outlined in the License Agreement

5) Hard-copy Documentation may not be copied.

6) Use of the Enterprise License Software is restricted to use within <u>the MPC</u> Eligible Agency shall not use, transfer, redistribute, or Deploy the Enterprise License Software outside of <u>the MPC</u> without the prior written permission of ESRI and agreement on additional fees, if any

No other rights are granted to Eligible Agency under this acknowledgment

ACCEPTED AND AGREED:
