SUBJECT: Request to Close an Unnamed Alley from Century Street to Dead End at
Western Avenue
MPC File # 2-A-10-AC / City Block 22043

Dear Mr. Brusseau:

This alley is located in the J.C. Sterchi Addition, Block 7 (Map Book 4, Page 102). It runs northeasterly from Century Street to the south right-of-way of Western Avenue. It is bounded on the west by Lots 12 through 20 and a portion of Lot 21 and on the east by Lots 1 through 11 of said Addition. This alley currently provides the only access to Lots 12 through 21. If it were to be closed, those lots would become totally landlocked.

For this reason the Engineering Department can support this request only with the following conditions:

1. The owner of the above Lots 12 through 21 shall prepare and record a new subdivision plat that results in no landlocked property.
2. The closing ordinance shall state that the closure shall not become effective until the above plat has been approved by the Metropolitan Planning Commission and recorded with the Knox County Register of Deeds, and the Engineering Department has sent a memo to the City Recorder verifying that all these conditions have been met.
3. The closing ordinance shall also state that if the plat is not recorded within one year from the date City Council gives its final approval, this right-of-way closure shall be deemed to be null and void and of no effect.

Dear Mr. Pruitt:

We have reviewed our records and, as far as we have been able to determine, KUB has no existing utility facilities located within the subject right-of-way and we have no objection to the requested closure. However, KUB does not release and hereby retains all easements and rights for existing utility facilities, whether or not identified in our research.
