MEMORANDUM

Agenda Item # 8

Date: January 12, 2010
To: Metropolitan Planning Commission
From: Mark Donaldson, Executive Director
Subject: **Vestal Site Improvement Plan Addition – 12-B-09-SAP**

The following addition will be placed under Section 6, Implementation Measures, page 38, of the plan. This addition is in response to review comments by the City Engineering Department.

Architectural, Engineering and Landscape Architectural Design Documents

Detailed design plans and documents will have to be created in realizing this plan. These include such features as crosswalk and plaza surfaces, traffic calming measures and intersection improvements. Further coordination and review will be necessary, involving such agencies as the City Engineering Department and Tennessee Department of Transportation.
