SUBJECT: Request to Close a Portion of the Cul-de-sac at the end of Stekoa Lane  
MPC File # 9-A-10-SC / City Block 40810

Dear Mr. Brusseau:

As we discussed several days ago, Stekoa Lane is not in the City. It is a County road. As such, only the County can close any portion of it. Accordingly, this request should be redirected to the Knox County Department of Engineering and Public Works.

If you have any questions, please call. You can reach me at 215-2148.

Sincerely,

Dear Mr. Pruitt:

**Re: Right-of-Way Closure Request 9-A-10-SC, 9-B-10-SC, 9-C-10-SC, and 9-D-10-SC**

We have reviewed our records and, as far as we have been able to determine, KUB has no existing utility facilities located within the subject right-of-way and we have no objection to the requested closure. However, KUB does not release and hereby retains all easements and rights for existing utility facilities, whether or not identified in our research.

If you have any questions regarding this matter, please call me at (865) 558-2291.

Sincerely,

A handwritten signature in cursive script that reads 'Greg Patterson'.
