Subject: Rezoning request for Ron Scott Jr. or Ben Kizer (file # 9-D-10-RZ)

Dear Mr. Scott:

As the authorized applicant for the subject rezoning request, please be advised that the Knox County Commission denied the request at its January 24, 2011, meeting. The request had been postponed from the October, November and December commission meetings because no one was present to speak on behalf of the request.

Please contact me, at 215-2500, if you any questions regarding this matter.

Sincerely,

Ewing M. Johnson, AICP
Deputy Director
