Dear Mr. Donaldson:

This letter is to advise the MPC Commissioners that the Crestwood Hills Homeowners Association supports Mr. Larry J. Click Funeral Home in the purchase of the former Middlebrook Gardens property located at 9020 Middlebrook Pike.

We request that the same deed restrictions as originally placed on the property be extended to the new owner. Mr. Click has agreed to allow these restrictions to be placed on the property.

I would appreciate your providing a copy of this letter to each MPC Commissioner.

Thank you for your consideration.

Sincerely,

Sue Mauer
President
