Ms. Mahan:

I am a resident of Knoxville. I will not be able to attend tomorrow's MPC meeting regarding the above-referenced amendment due to a family illness but would like for my voice to be heard. I am in full support of the Resolution lowering sign height from 50 feet to 25 feet in Knoxville. Thank you for this progressive move to benefit all who are fortunate enough to live in this beautiful area.

Thank you for making my voice heard among the Commissioners.
