Subject: MPC Meeting Request from OMNI
To: "sarah.powell@knoxmpc.org" <sarah.powell@knoxmpc.org>

Hi Sarah,

My name is Cathy Gonzalez and I am the President of Old Mechanicsville Neighborhood Interest (OMNI). I spoke with Mark Donaldson last week regarding the proposal for reuse/zoning of the Moses School. The lead person for the proposal is Todd Jensen who I asked to postpone their proposal until he meets with the community. He told me that he was unable to do that due to a grant application deadline, which is due in February. Unfortunately, Mr. Jensen did not get in touch with OMNI until Dec. 5, and that was only after Becky Wade suggested that he include the community. Since he is unable to postpone the MPC zoning decision, I would like to ask the commissioners to please postpone the decision until he meets with the community on Wednesday, December 18 @ 7 pm. I am sending a representative to the MPC meeting on Thursday to make that request. My neighbor, who is attending the meeting, is Mr. Chris Talley. Is there a way to forward this information to all the commissioners? If so, would you please forward this email or give me their emails so I can send them the request?

Many thanks,
Cathy Gonzalez
