Good morning!

I would like to voice my concerns about:

Agenda Item #32

File 12-I-13-RZ

Commission District 6

Applicant PHILLIP GARRETT

Location Hardin Valley at Schaeffer Rd

I live in the subdivision behind this property..Harrison Springs. I have owned my home here for 8 years. We chose this home for the schools, for the privacy and security, and for the beauty of the area. If apartments or business parks are built on the property behind us, this will decrease our home values and reduce our privacy. We picked this subdivision also due to safety as we started our family. I am a mother of two very young children, safety is a huge concern. What kind of privacy/security can we have with a new business park??

Just voicing my concerns that I am AGAINST this!

Thank you
