Good morning!

I would like to voice my concerns about:

MPC agenda item 24
Agenda item number 12-D-13-RZ
Commission District 6 (Anders)
Applicant PHILLIP GARRETT
Location Hardin Valley at Schaeffer Rd
Requested change to allow 8.5 Dwellings per acre

I live in the subdivision behind this property...Harrison Springs. I have owned a home here for 7 years. We chose this home for the schools, for the privacy and security, and for the beauty of the area. If apartments are built on the property behind us, this will decrease our home values and reduce our privacy. We picked this subdivision also due to safety as we started our family. What kind of privacy/security can we have with over 200+ new residents living in apartments???

Just voicing my concerns.

Thank you
