To Whom It May Concern,

I have a Four Million Dollar piece of property adjacent to the property which is asking to be converted into a duplex. At this time

I am not opposed to this property being converted to a duplex as long as the remodeling meets all building codes, fire codes and

handicapped requirements. The current structure is well over 30 years old and has not had any updates. I also expect the

owner to keep the property well maintained. I do not want to see my property devalued.

Respectfully,

Doug Shoffner
