SUBJECT: Closure of unnamed alley between Eleventh St and Twelfth St
MPC File # 12-C-14-AC; City Block 10405

Mr. Brusseau:

The City Engineering Department has no objections to close the above reference right-of-way area. However, should this right-of-way be closed, the applicant assumes maintenance responsibility for all stormwater systems previously maintained by the City, within or near the closure areas. The applicant will maintain the approved stormwater facilities in good working order that would be normally acceptable to the City Department of Engineering. Minimum maintenance of the said facilities shall include sediment, debris, oil, hydrocarbons, and foreign materials removal so that the operation and capacity of the stormwater facilities continue to meet acceptable standards.

Dear Mr. Brusseau:

Re: Right-of-Way Closure Request 12-C-14-AC

We have reviewed our records and, as far as we have been able to determine, KUB has no existing utility facilities located within the subject right-of-way and we have no objection to the requested closure. However, KUB does not release and hereby retains all easements and rights for existing utility facilities, whether or not identified in our research.

If you have any questions regarding this matter, please call me at (865) 558-2291.

Sincerely,

Greg L. Patterson, P.E.
