To the commission,

I urge you to reject the plan to add 54 homes off of Mourfield road. Traffic at that road as it joins Westland and then Pellissippi parkway is horrible. Our area is already overcrowded and a proposed apartment complex plan was turned down last year on consideration of the traffic.

A few homes will fit in this area where most houses sit on an acre or 3/4ths. To crowd homes more will create impossible traffic near the elementary school.

Thank you for your attention to this matter.
