

11-D-16-UR - opp - 12-8-16

November 29, 2016

Dear MPC commissioners,

We are members of Chilhowee Hills Baptist Church, located at 4615 Asheville Highway, Knoxville, TN, 37914. We are writing to express our concern for the potential development of the property located next door to our church, referenced here as #11-D-16-UR - KISHOR TAILOR at 4325 Asheville Hwy North side Asheville Hwy, west of Carta Rd. We believe that this development could potentially lead to criminal activities in our area, and that it will do little to make this part of our city a better place to live, work and worship. We are requesting that this petition be denied when it's considered at the upcoming Use on Review hearing on Dec. 8th, and that other more suitable uses of this property be allowed to take place.

Sincerely,

Handwritten signatures of Susan Perkins and Tom Perkins.
