West: Byington Beaver Ridge Rd. - House / LDR / RA (Low Density Residential)

STAFF RECOMMENDATION:

▶ **ADOPT RESOLUTION #1-A-16-SP, amending the Northwest County Sector Plan to O (Office) and**

recommend the Knox County Commission also approve the sector plan amendment, to make it operative. (See resolution, Exhibit A.)

Office uses for this site would be a logical extension of the plan designation from the north, where an office/commercial node is established. The proposed plan amendment is justified and is compatible with the surrounding land uses and zoning pattern.

► **RECOMMEND that County Commission APPROVE OB (Office, Medical & Related Services) zoning.**

OB zoning is appropriate for this property that is located on a major collector street and is adjacent to an assisted living facility to the north. The site is located just south of an office/commercial node at the intersection with Oak Ridge Hwy. Establishment of OB at this location is a logical extension of zoning from the north and provides a transition between commercial and residential uses.

COMMENTS:

SECTOR PLAN REQUIREMENTS FROM GENERAL PLAN (May meet any one of these):

CHANGES OF CONDITIONS WARRANTING AMENDMENT OF THE LAND USE PLAN:

INTRODUCTION OF SIGNIFICANT NEW ROADS OR UTILITIES THAT WERE NOT ANTICIPATED IN THE PLAN AND MAKE DEVELOPMENT MORE FEASIBLE:

No known improvements have been made recently to Byington Beaver Ridge Rd. in the vicinity of this site. However, it is classified as a major collector street that is sufficient to accommodate office use of the site. Public water and sewer utilities are available to serve the site.

AN OBVIOUS OR SIGNIFICANT ERROR OR OMISSION IN THE PLAN:

The property is currently designated for low density residential uses, consistent with its current RA zoning. An office designation for this site is consistent with the surrounding land use and zoning pattern. The proposal is a logical extension of the office designation from the north.

CHANGES IN GOVERNMENT POLICY, SUCH AS A DECISION TO CONCENTRATE DEVELOPMENT IN CERTAIN AREAS:

The property to the north was approved for a plan amendment to O and rezoning to OB in 2007 (12-AA-07-RZ/12-L-07-SP). The general appropriateness for office uses on the subject property is similar to this previously approved plan amendment. The proposal is a minor expansion of that land use pattern.

TRENDS IN DEVELOPMENT, POPULATION OR TRAFFIC THAT WARRANT RECONSIDERATION OF THE ORIGINAL PLAN PROPOSAL:

Office uses on this property are appropriate as a transitional area between the office/commercial node to the north and the residential uses to the south.

REZONING REQUIREMENTS FROM ZONING ORDINANCES (must meet all of these):

THE PROPOSED AMENDMENT SHALL BE NECESSARY BECAUSE OF SUBSTANTIALLY CHANGED OR CHANGING CONDITIONS IN THE AREA AND DISTRICTS AFFECTED, OR IN THE CITY/COUNTY GENERALLY:

1. This site, which is located along Byington Beaver Ridge Rd., a major collector street, is appropriate for office uses, as proposed by the applicant.
2. OB zoning will allow uses compatible with surrounding development and zoning.
3. OB zoning for this site expands a transitional area between office/commercial uses to the north and residential uses to the south.

THE PROPOSED AMENDMENT SHALL BE CONSISTENT WITH THE INTENT AND PURPOSE OF THE APPLICABLE ZONING ORDINANCE:

1. The requested OB zoning district is intended to provide areas for professional and business offices and related activities that require separate buildings and building groups surrounded by landscaped yards and open areas. The OB zoning district also allows residential development as permitted by the RB zoning district.
2. Based on the above description and intent of OB zoning, this property is appropriate to be rezoned to OB, as requested.

THE PROPOSED AMENDMENT SHALL NOT ADVERSELY AFFECT ANY OTHER PART OF THE COUNTY, NOR SHALL ANY DIRECT OR INDIRECT ADVERSE EFFECTS RESULT FROM SUCH AMENDMENT:

1. Public water and sanitary sewer are available to serve the site.
2. The impact to the streets and school system will depend on the type of development proposed. Byington Beaver Ridge Rd. is classified as a major collector street that is sufficient to handle additional traffic that would be generated by uses permitted in the OB zoning district.
3. This proposed amendment of the zoning map will not adversely affect any other part of the County.
4. The proposed OB zoning would allow possible expansion of the assisted living facility to the north, as well as various other professional office uses, which are compatible with both commercial and residential uses.

THE PROPOSED AMENDMENT SHALL BE CONSISTENT WITH AND NOT IN CONFLICT WITH THE GENERAL PLAN OF KNOXVILLE AND KNOX COUNTY, INCLUDING ANY OF ITS ELEMENTS, MAJOR ROAD PLAN, LAND USE PLAN, COMMUNITY FACILITIES PLAN, AND OTHERS:

1. With the recommended amendment to the Northwest County Sector Plan, OB zoning will be consistent with the plan.
2. The site is located within the Planned Growth Area on the Knoxville-Knox County-Farragut Growth Policy Plan map.
3. This proposal does not present any apparent conflicts with any other adopted plans.

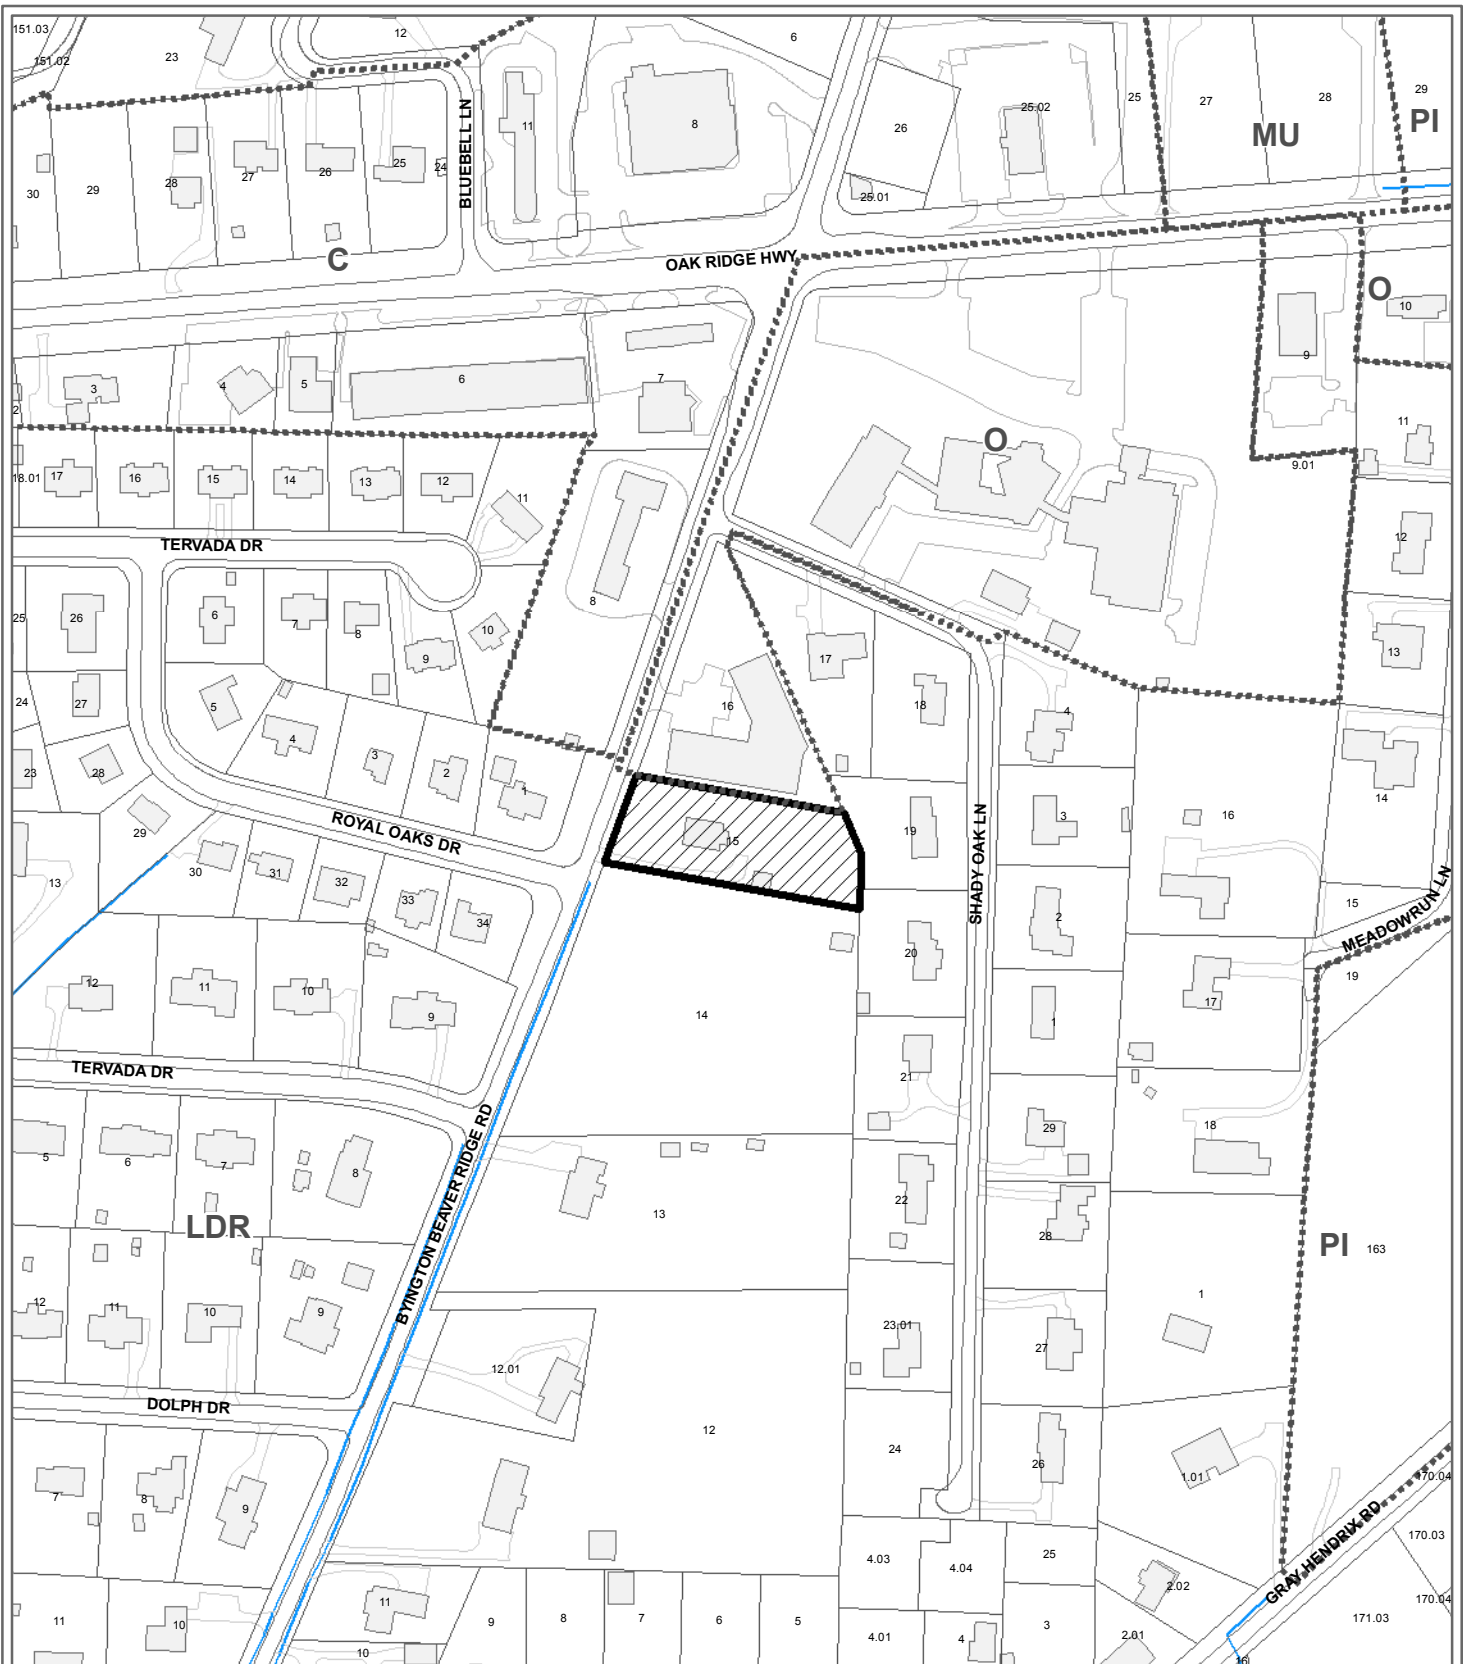

State law regarding amendments of the general plan (which include Sector Plan amendments) was changed with passage of Public Chapter 1150 by the Tennessee Legislature in 2008. The law provides for two methods to amend the plan at TCA 13-3-304:

1. The Planning Commission may initiate an amendment by adopting a resolution and certifying the amendment to the Legislative Body. Once approved by majority vote of the Legislative Body, the amendment is operative.
2. The Legislative Body may also initiate an amendment and transmit the amendment to the Planning Commission. Once the Planning Commission has considered the proposed amendment and approved, not approved, or taken no action, the Legislative Body may approve the amendment by majority vote and the amendment is operative.

ESTIMATED TRAFFIC IMPACT: Not required.

ESTIMATED STUDENT YIELD: Not applicable.

If approved, this item will be forwarded to Knox County Commission for action on 2/22/2016. If denied, MPC's action is final, unless the action to deny is appealed to Knox County Commission. The date of the appeal hearing will depend on when the appeal application is filed. Appellants have 30 days to appeal an MPC decision in the County.
