To Whom It May Concern,

I want to express my concerns over the rezoning of the 1800 Thunderhead Rd. Please know that added traffic to this already vulnerable area is highly undesirable. Parents of children attending Northshore Elementary are concerned for our kids' safety. This area is a "one-way in, one-way out" situation. My husband and I are already against the current apartments going in in the area and request that any additional non-traditional single family housing be stopped. Please do not rezone the 1800 Thunderhead Rd. from mixed to High Density Residential.

Shannon and Shawni Eaker
