Subject: West Hills/Broome Road Development
To: contact@knoxmpc.org

To the MPC of Knoxville-Knox County:

My name is Tina Peroulas and I live at 643 Broome Road. I am sending this letter to register my objections to the housing development that is proposed for the 500 block of Broome Road with houses that do not meet or even begin to meet the standard for the homes that surround that area as well as all the other homes and homeowners of West Hills.

MPC and the City of Knoxville have already allowed a continual assault on our homes, property values, and lifestyles with yellow lines on our NEIGHBORHOOD streets and rezoning for an unwanted and an unneeded west Knoxville hospital with more office buildings surrounding it. Broome Road has become the cut through for the cars that don't respect our neighborhood for Sam's, Kingston Pike any beyond. We can no longer go to the mailbox with any feeling of safety much less take a walk in the neighborhood. Compounding the problem with multiple houses beyond a neighborhood consistent density is for us as it should be for MPC totally unacceptable.

I believe it is PAST TIME for the MPC to take care of its neighborhoods and not just businesses. We all pay taxes. We should count for something.

PLEASE PLEASE stop further the degrading of our home values and lives and stop the density of the houses on Broome Road.

Tina Peroulas
