Revisions to the Midway Business Park Development Plan – Design Guidelines

Revision Date: 9/7/2016

Revisions to text:

Section 3.C on Page 26 and Section 3.D on Page 27 and of the Midway Business Park Development Plan dated July 25, 2016, Revision 02, is hereby amended by:

On page 26 under Section 3.C under Preserved Natural Area and substituting the following two bullets:

Bullet 1.) Grading is not permitted within the Preserved Natural Area except for trails, sanitary wastewater utility facilities, a driveway within with 50' wide driveway easement shown on Lots 1, 11 and 12 and as otherwise noted on the concept plan.

Bullet 2.) There shall be no development within the Preserved Natural Area except development and construction of trails, sanitary wastewater utility facilities, a driveway within with 50' wide driveway easement shown on Lots 1, 11 and 12 and as otherwise noted on the concept plan.

On page 27 under Section 3.D under Preserved Natural Area Grading, Drainage and Storm Water Management and substituting the following final bullet (bullet 7):

Bullet 7.) Grading shall not occur within the Preserved Natural Area except for trails, sanitary wastewater utility facilities, a driveway within with 50' wide driveway easement shown on Lots 1, 11 and 12 and as otherwise noted on the concept plan.
