Subject: File Numbers 7-C-17-PA and 7-I-17-RZ (Scannell Properties, LLC)

To the Members of the Knoxville Metropolitan Planning Commission:

I am writing this letter to express our support of the request to rezone property at east side Midway Road, south side Thorn Grove Pike, north side I-40 from C-4 (General Commercial) to I-3 (General Industrial).

As a representative of a neighboring property, Rolling Acres Farm, I have been made aware of this request to rezone property to allow for a freight terminal. I believe the proposed change will fall in line with the future of the 402 exit properties as I know the plans are for an industrial park so this should fit right in.

I am urging the MPC to approve this rezoning request.

Sincerely,

Michelle Williams
