I am a resident in the Channel Point Subdivision. I highly oppose to rezoning land off of Choto Road to make way for large subdivisions to be built. We already have a severe traffic problem on Choto Road and South Northshore Drive due to the number of resident vehicles currently in our area. Heaven forbid if your car gets behind a school bus or if there is an event at the Cove, what a traffic nightmare.

Thank you for your consideration of my request.

Respectfully,

Retta Watson
12253 Channel Point Drive
Knoxville, TN 37922
