Re: 12-D-18-RZ & 12-C-18-SP

Dear Liz:

Please accept this letter as a formal request to amend our application to reflect a reduced requested density of 2.1 Units per acre (52-units total). I attached our Preliminary Concept Plan that reflects the reduced density from our initial request. Please do not hesitate to contact me if you have questions about this letter or attachments.

Sincerely,

Urban Engineering, Inc.
