Mike,

Per the requirement for traffic study, we request postponement to the February meeting.

I assume the sign won't need to be put out in advance of the January meeting. When does it need to be out for the February meeting?

Thanks

## REQUIRED SIGN POSTING AGREEMENT FORM

For all rezoning, plan amendment, concept plan, use on review, BZA variance, right-of-way closure, and street name change applications, a sign must be posted on the subject property, consistent with the adopted MPC/BZA Administrative Rules and Procedures. When applicable, MPC staff will provide a sign to post on the property at the time of application.

The sign must be posted in a location that is clearly visible from the nearest adjacent street. If the property has more than one street frontage, then the sign should be placed along the higher classified street. MPC staff may recommend a preferred location for the sign to be posted at the time of application.

The sign must be posted no later than two weeks prior to the scheduled MPC/BZA hearing and must remain in place until after the meeting. In the case of a postponement, the sign can either remain in place or be removed and reposted no later than two weeks prior to the next MPC/BZA meeting.

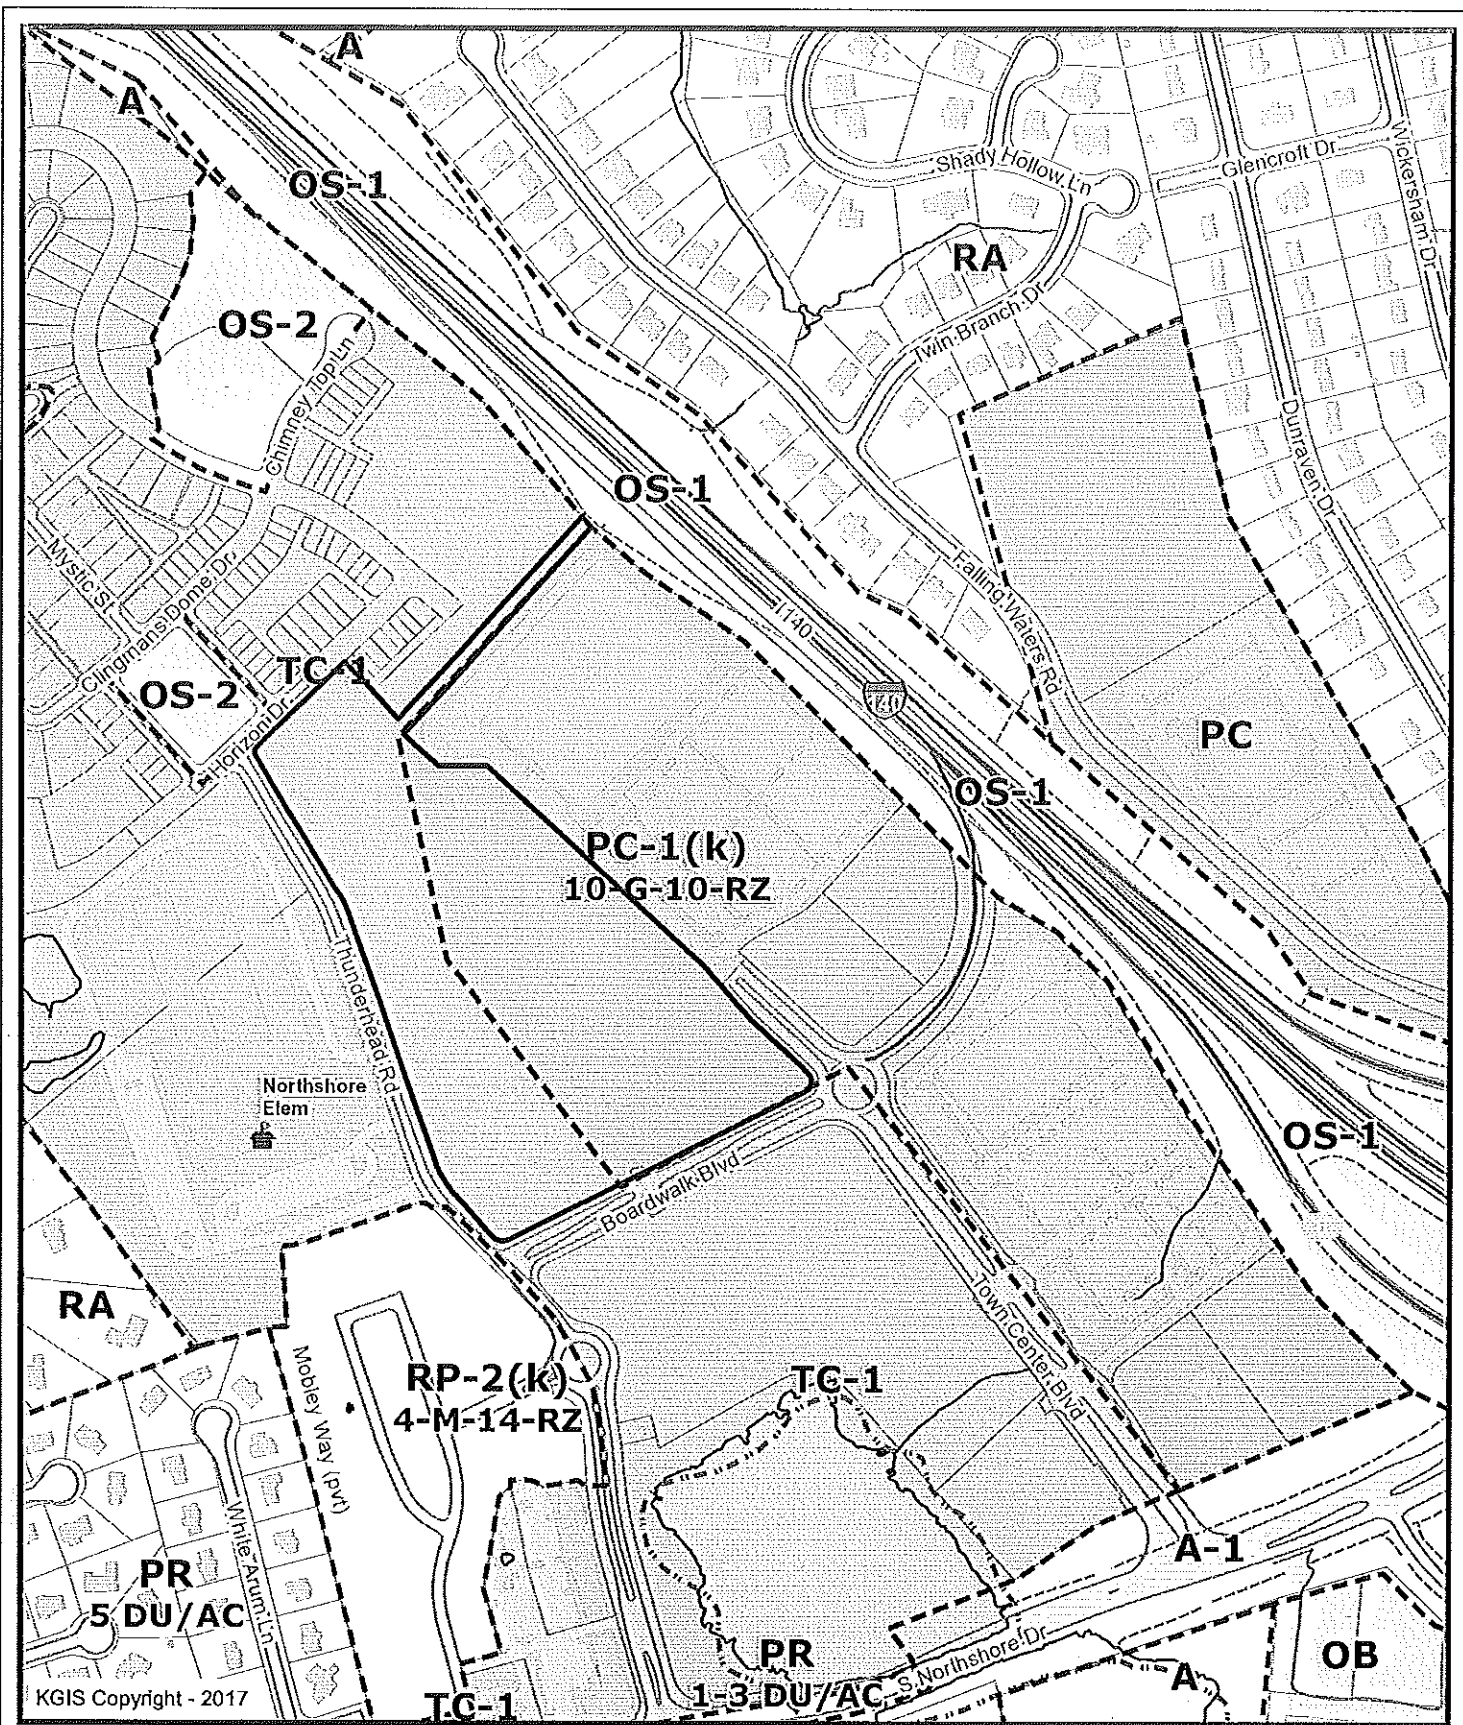

MPC staff will provide the first sign(s) for no additional charge as part of the application fees. If the sign(s) are lost or stolen and need to be replaced, then the applicant will be responsible for picking up a new sign from the MPC offices. The applicant will be charged a replacement fee for the second sign consistent with the agency's cost of purchasing each sign.

I hereby agree to post the sign provided on the subject property on or before December 27, 2017, consistent with the guidelines provided above; and remove the sign within one week after the MPC/BZA decision.
