TO: Metropolitan Planning Commission

FROM: Andrew Place Homeowners Association

SUBJECT: Rezoning of property located east of Andrew Brook Lane  
MPC File NO. 7-E-18-SP and 7-J-18-RZ

By copy of this memo, our Association would like to request that in the possible rezoning of the above property that only the front of the property be considered for rezoning.

With this request, we would also remind the Commission, while we represent 42 homes in our area, we are located between a church and a funeral home. Therefore if any business is to be located on the property, this fact also should give credence to the consideration of the type of business that might be considered.

Thank you for your interest in assisting us in the preservation of our homes.
