Dear Mr. Brusseau:

**Re: Right-of-Way Closure Request 6-A-18-AC
Block No. 07341
CLT No. 95**

We have reviewed our records and find that we have existing utility facilities located within the subject right-of-way. The approximate location of these facilities is indicated on the enclosed prints. However, KUB does not release and hereby retains all easements and rights for existing utility facilities, whether or not shown on these prints.

Should this right-of-way be closed, KUB will require the following permanent easement for its utility facility.

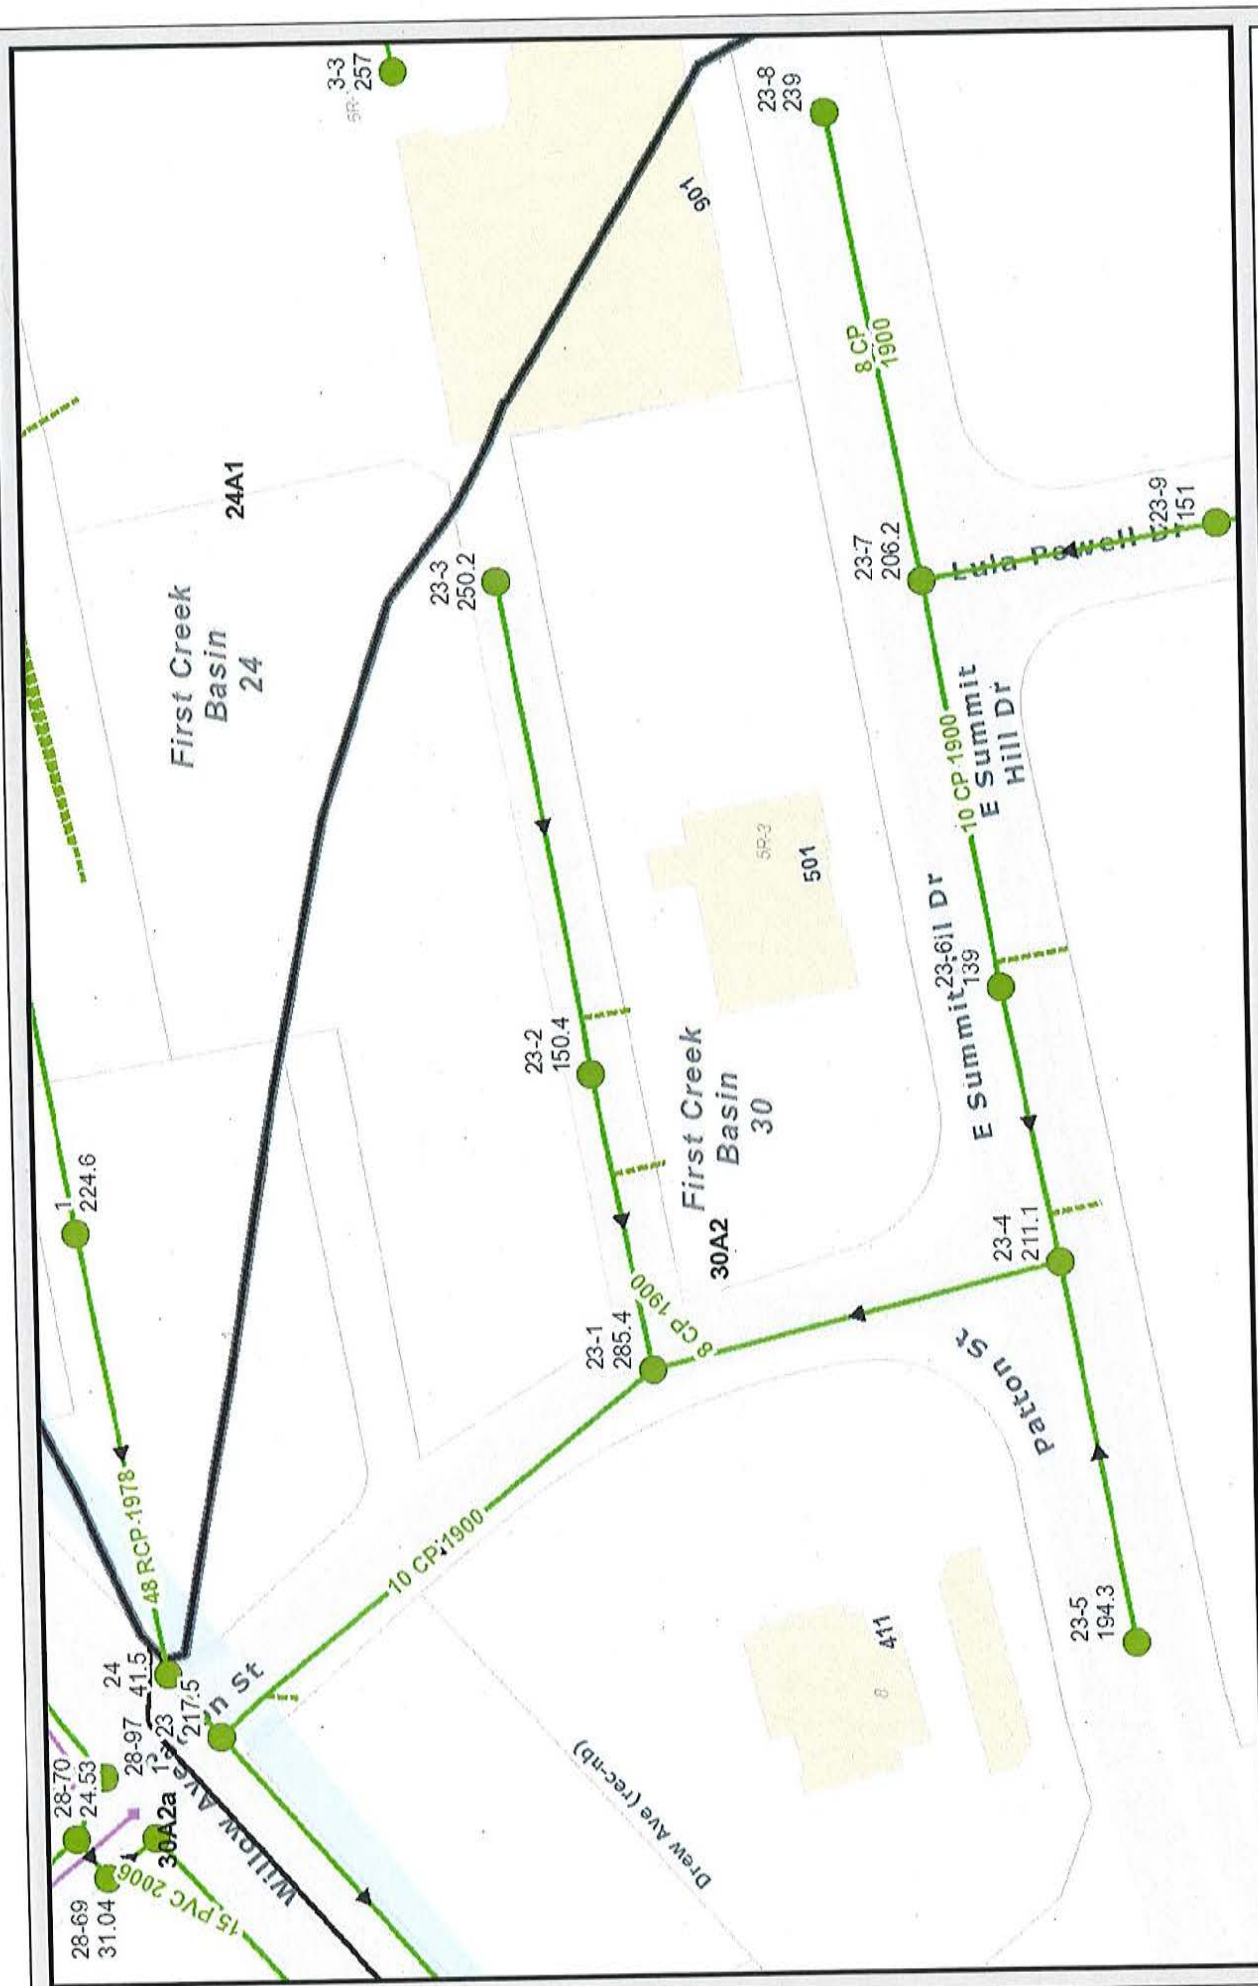

Sewer – 7.5 feet on each side of the centerline of the sewer line, 15 feet total width
Water – 7.5 feet on each side of the centerline of the water line, 15 feet total width

If you have any questions regarding this matter, please call me at (865) 558-2483.

Sincerely,

Christian Wiberley
