Mr. Green,

As requested, The City of Knoxville Real Estate Department sent certified letters to every property owner that was listed in the road closure applications submitted last week.

We also went out and knocked on doors along Chilicothe St. as listed on the canvass forms submitted. As you will see, not many people were home, but we will follow up and attempt to have an in person conversation with every property owner listed.

Please let me know if we need to get you any more information.

With kindest regards,

Re: Notice of ROW Closure
Affected Properties – CLT 093ED032 – 2612 Chillicothe St.

Dear property owner:

The Knox County tax records and a recent title examination show that you own property cited above. This property is in the vicinity of the Clifton Road development site. This site is in the planning stage for future development of affordable housing.

In order to complete this project, it will be necessary for the City to close some of the platted roads in the development area. A number of these road exist only on paper.

The City, in cooperation with Knoxville's Community Development Corporation has contracted with Cannon & Cannon, Inc. to design preliminary plans and conceptual site plans for the project.

A survey has also been conducted to determine any possible encroachments or property line discrepancies.

For your information, I am enclosing a copy of the Right of Way Closure Application that will be submitted to the MPC, along with some other plans that will help define the Clifton Road Development site.

If you would like to meet with a representative agent, or you have any questions, you may contact Tina Newman or myself at my office, telephone number (865) 215-2080 or (865) 215-4465. Monday through Friday between the hours of 8:00 AM – 4:30 PM, EST.

We will be visiting the affected properties in the next week to discuss the road closures with you,

With kindest regards,

Chris Ruberg
Real Estate Manager
