### STAFF RECOMMENDATION:

The applicant has requested postponement to address concerns of adjacent property owners.

► **POSTPONE the Use on Review application until the November 8, 2018 MPC meeting as requested by the applicant.**

### COMMENTS:

The proposal includes 32 unit, semi-detached cohousing development with a 3,800 square-foot common

house. The development will be required to extend Tambark Dr. onto their site to install a cul-de-sac turnaround and to widen Knox Ln. to a minimum of 20' of asphalt south of Tambark Ln. to Valley View Dr. A private right-of-way will connect to the north side of the Tambark Dr. cul-de-sac and will provide access to the majority of the dwelling units. A sidewalk loop will be provided around rear of the dwelling units and to the common house.

ESTIMATED TRAFFIC IMPACT: 343 (average daily vehicle trips)

Average Daily Vehicle Trips are computed using national average trip rates reported in the latest edition of "Trip Generation," published by the Institute of Transportation Engineers. Average Daily Vehicle Trips represent the total number of trips that a particular land use can be expected to generate during a 24-hour day (Monday through Friday), with a "trip" counted each time a vehicle enters or exits a proposed development.

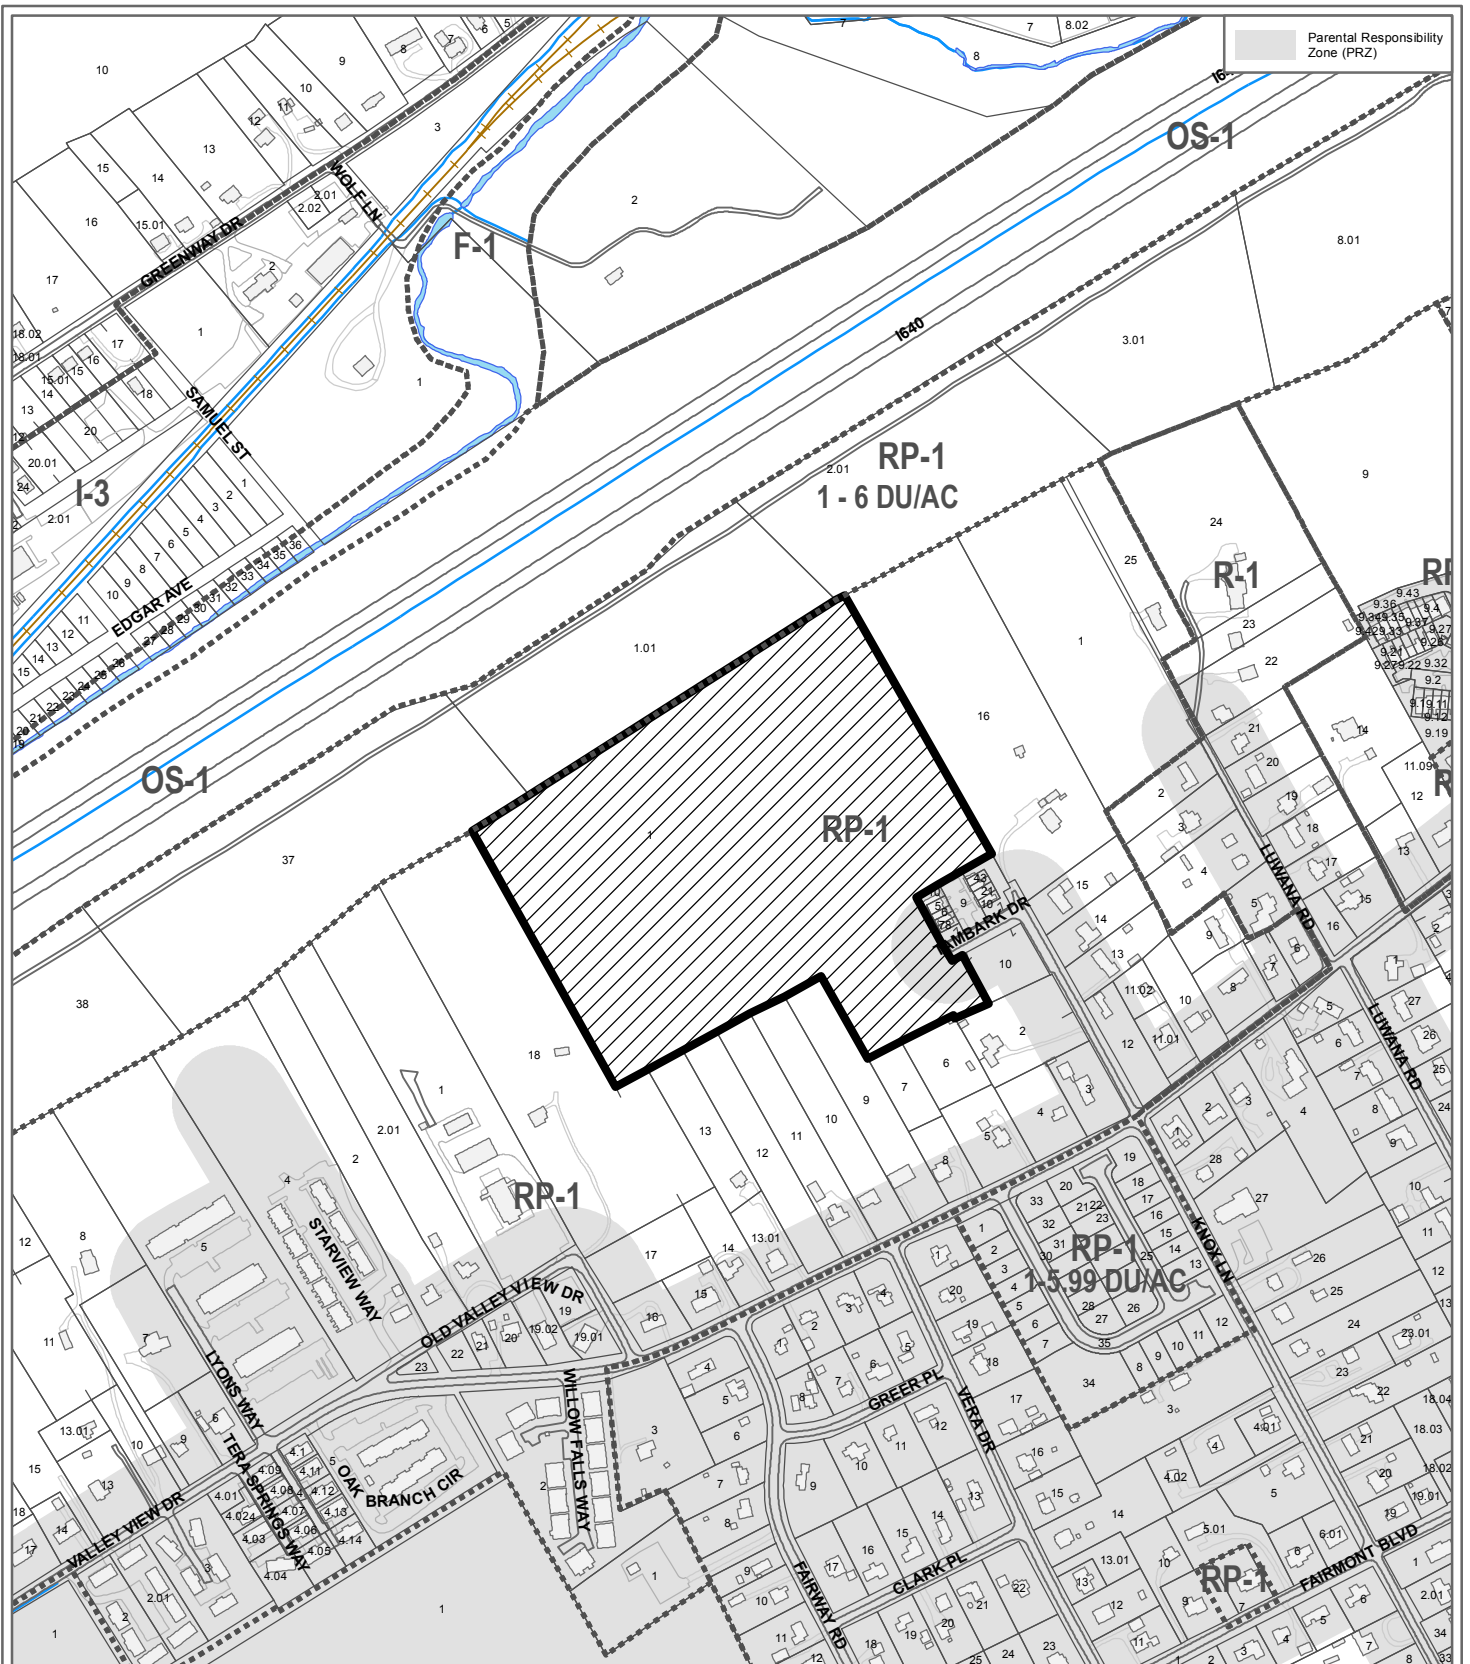

ESTIMATED STUDENT YIELD: 1 (public school children, ages 5-18 years)

Schools affected by this proposal: Spring Hill Elementary, Whittle Springs Middle, and Fulton High.

- School-age population (ages 5–18) is estimated by MPC using data from a variety of sources.
- Students are assigned to schools based on current attendance zones as determined by Knox County Schools. Zone boundaries are subject to change.
- Estimates presume full build-out of the proposed development. Build-out is subject to market forces, and timing varies widely from proposal to proposal.
- Student yields from new development do not reflect a net addition of children in schools. Additions occur incrementally over the build-out period. New students may replace current population that ages through the system or moves from the attendance zone.

MPC's approval or denial of this concept plan request is final, unless the action is appealed to Knox County Chancery Court. The date of the Knox County Chancery Court hearing will depend on when the appeal application is filed.

MPC's approval or denial of this use on review request is final, unless the action is appealed to the Knoxville City Council. The date of the Knoxville City Council hearing will depend on when the appeal application is filed.
