Tom,

Attached is a list of the 14 Lots and the requested change in setbacks from what was submitted. The File number is 1-I-19-UR, Stratford Park Subdivision. The HOA requested these changes and I am in agreement.

- Lots that will have a 20 foot setback instead of the 15 foot requested setback:

- 20
- 19
- 18
- 17
- 16
- 15
- 146
- 152
- 153

- Lots that will still have a 15 foot requested setback.

- 144
- 23
- 24
- 69
- 105

Thanks for your consideration and assistance,

Larry Doss
