I am a representative for Georges Brandan, the owner of the property in question on this case. We had asked for an upgrade to HDR and 18 units per acre. Can we revise our request to 12 or 15 units per acre?

Hi Mr. Pierce -

I just wanted to make sure that you understand that you'll have to request a postponement during the Planning Commission meeting tomorrow if you want to modify your application to a different density and/or sector plan land use classification. The instructions to participate are as follows:

[Here is a link](#) to the [Planning Commission](#) agenda package for Thursday, April 9th where you can find your application and staff recommendation.

Knoxville-Knox County Planning Commission's April 9th meeting will take place electronically in accordance with Governor Bill Lee's Executive Order Number 16.

You are invited to participate in the Commission meeting by connecting remotely. In order to participate you will need to [download Zoom](#) and create a login. We suggest you create a login at least 24 hours before the meeting. Zoom is a free service available on phones, tablets and computers.

Please utilize [this link](#) to join the meeting as a participant on Thursday at 1:30 pm.

We encourage you to log on 5 to 10 minutes before the meeting begins. When you join the meeting you will be able to listen but will be muted until your agenda item is read and you are called upon by the Chair.

When your agenda item is introduced you will be provided the opportunity to address the Commission, address community comments, and respond to specific questions from the Commission.

[Here is a link](#) to resources for participating in Zoom meetings.

If you have any questions please let us know.

Best regards,
