Good morning Commissioners,

I received a phone call regarding this case was from a nearby resident, who did not give her name but said she lived on the street. She said she was concerned about the number of units that would go into this location and said the street was quiet and that she and her neighbors liked that. She said townhouses wouldn't be bad, but again, was concerned about how many would be built.

A second call came in from Mr. Edward Cooper, who is also opposed to the rezoning. He doesn't want the increased density and is concerned about road conditions being subpar.

Thank you,  
Michelle
