Mike,

I'm writing in support of allowing a duplex on the [920 Oak Grove Ln](#) property, as shown in the case material. This will enable having one additional dwelling unit on the property without changing the zoning. It makes good sense to me.

Thanks for your work on this.

Regarding Victor Jernigan's request for special use on this property, I am writing to express my support. My home is next door to this property, and having a duplex next door will maintain the character of our neighborhood and the value of my and my other neighbors' properties.

Thank you.
