COMMENTS:

SECTOR PLAN AMENDMENT REQUIREMENTS FROM GENERAL PLAN (May meet any one of these):

CHANGES OF CONDITIONS WARRANTING AMENDMENT OF THE LAND USE PLAN:

1. A new access road is being proposed for this site and warrants amending the land use plan to allow for a larger area around the I-75 / Callahan Drive interchange to be designated as part of the Callahan Drive Mixed Use Special District.

INTRODUCTION OF SIGNIFICANT NEW ROADS OR UTILITIES THAT WERE NOT ANTICIPATED IN THE PLAN AND MAKE DEVELOPMENT MORE FEASIBLE:

1. The new access road included as part of the concept plan for case 4-SF-21-C improves access to Callahan Drive and into the site for an expansion of the MU-SD NWC-1 (Callahan Drive Mixed Use Special District) around the interstate interchange making an expansion of development for the industrial and commercial uses more feasible.

AN OBVIOUS OR SIGNIFICANT ERROR OR OMISSION IN THE PLAN:

1. A improved access road for this site was not anticipated at the time of update of the Northwest City Sector Plan in 2015.

TRENDS IN DEVELOPMENT, POPULATION OR TRAFFIC THAT WARRANT RECONSIDERATION OF THE ORIGINAL PLAN PROPOSAL:

1. The population continues to grow in Knoxville and an expansion of commercial/industrial areas for employment opportunities, in areas adjacent to existing interstate interchanges is warranted.

State law regarding amendments of the general plan (which includes Sector Plan amendments) was changed with passage of Public Chapter 1150 by the Tennessee Legislature in 2008. The law now provides for two methods to amend the plan at TCA 13-3-304:

- The Planning Commission may initiate an amendment by adopting a resolution and certifying the amendment to the Legislative Body. Once approved by majority vote of the Legislative Body, the amendment is operative.
- The Legislative Body may also initiate an amendment and transmit the amendment to the Planning Commission. Once the Planning Commission has considered the proposed amendment and approved, not approved, or taken no action, the Legislative Body may approve the amendment by majority vote and the amendment is operative.

ESTIMATED TRAFFIC IMPACT: Not required.

ESTIMATED STUDENT YIELD: Not applicable.

If approved, this item will be forwarded to Knoxville City Council for action on 5/4/2021 and 5/18/2021. If denied, Knoxville-Knox County Planning Commission's action is final, unless the action to deny is appealed to Knoxville City Council. The date of the appeal hearing will depend on when the appeal application is filed. Appellants have 15 days to appeal a Planning Commission decision in the City.

COMMENTS:

ONE YEAR PLAN AMENDMENT REQUIREMENTS FROM GENERAL PLAN (May meet any one of these):

CHANGES OF CONDITIONS WARRANTING AMENDMENT OF THE LAND USE PLAN:

1. The new access road included as part of the concept plan for case 4-SF-21-C improves access to Callahan Drive and into the site for an expansion of the MU-SD NWC-1 (Callahan Drive Mixed Use Special District) around the interstate interchange making an expansion of development for the industrial and commercial uses more feasible.

INTRODUCTION OF SIGNIFICANT NEW ROADS OR UTILITIES THAT WERE NOT ANTICIPATED IN THE PLAN AND MAKE DEVELOPMENT MORE FEASIBLE:

1. The new access road included as part of the concept plan for case 4-SF-21-C improves access to Callahan Drive and into the site for an expansion of the MU-SD NWC-1 (Callahan Drive Mixed Use Special District) around the interstate interchange making an expansion of development for the industrial and commercial uses more feasible.

AN OBVIOUS OR SIGNIFICANT ERROR OR OMISSION IN THE PLAN:

1. A improved access road for this site was not anticipated at the time of update of the One Year Plan and Sector Plan for this area.

TRENDS IN DEVELOPMENT, POPULATION OR TRAFFIC THAT WARRANT RECONSIDERATION OF THE ORIGINAL PLAN PROPOSAL:

1. The population continues to grow in Knoxville and an expansion of commercial/industrial areas for employment opportunities, in areas adjacent to existing interstate interchanges is warranted.

PURSUANT TO THE CITY OF KNOXVILLE ZONING ORDINANCE, SECTION 16.1.3, SUBSECTIONS 1-3, ALL OF THE FOLLOWING CONDITIONS MUST BE MET FOR ALL REZONINGS:

THE PROPOSED AMENDMENT SHALL BE NECESSARY BECAUSE OF SUBSTANTIALLY CHANGED OR CHANGING CONDITIONS IN THE AREA AND DISTRICTS AFFECTED, OR IN THE CITY/COUNTY GENERALLY:

1. The population of Knox County continues to grow and additional employment opportunities will be accommodated by the expansion of general industrial and highway commercial uses.

THE PROPOSED AMENDMENT SHALL BE CONSISTENT WITH THE INTENT AND PURPOSE OF THE APPLICABLE ZONING ORDINANCE:

1. The I-G (Light Industrial) zone provides for a range of general industrial uses that may produce limited outside impacts, rendering them incompatible with retail, service, or residential uses. Such uses include limited manufacturing, fabricating, processing, wholesale distributing, and warehousing facilities that do not require

frequent visits from customers or clients.

2. The C-H Highway Commercial Zoning District is intended to accommodate higher-intensity commercial uses of a predominantly auto-oriented character, including retail, rental, and service establishments of a more intense commercial character including those requiring permanent outdoor service or storage areas. The C-H District regulations are intended to ensure the mitigation of any potential impacts related to such establishments on neighboring uses. The C-H District is divided into two levels of intensity related to the overall form and design of the development; however, uses are the same across all levels.

3. The HP Overlay is intended to protect hillsides and hillside development when development occurs in these areas with significant topographic features because there are potential serious consequences, such as increased erosion, fire, or flood hazards, and property damage from extensive soils slippage and subsidence.

THE PROPOSED AMENDMENT SHALL NOT ADVERSELY AFFECT ANY OTHER PART OF THE COUNTY, NOR SHALL ANY DIRECT OR INDIRECT ADVERSE EFFECTS RESULT FROM SUCH AMENDMENT.

1. There is an existing buffer of large agricultural zoned lots on the southwestern side of the boundary of this proposed general industrial zone area that separate the single family residential neighborhood from the more intensive uses around the interstate interchange at Callahan Drive.

2. The land disturbance standards of the HP (Hillside Protection) Overlay will reduce potential impacts related to clearing and grading in this area.

3. The proposed access improvement along Callahan Drive, as part of concept plan 4-SF-21-C, will help mitigate the impact of additional average daily trips of vehicles around this site.

THE PROPOSED AMENDMENT SHALL BE CONSISTENT WITH AND NOT IN CONFLICT WITH THE GENERAL PLAN OF KNOXVILLE AND KNOX COUNTY, INCLUDING ANY OF ITS ELEMENTS, MAJOR ROAD PLAN, LAND USE PLAN, COMMUNITY FACILITIES PLAN, AND OTHERS:

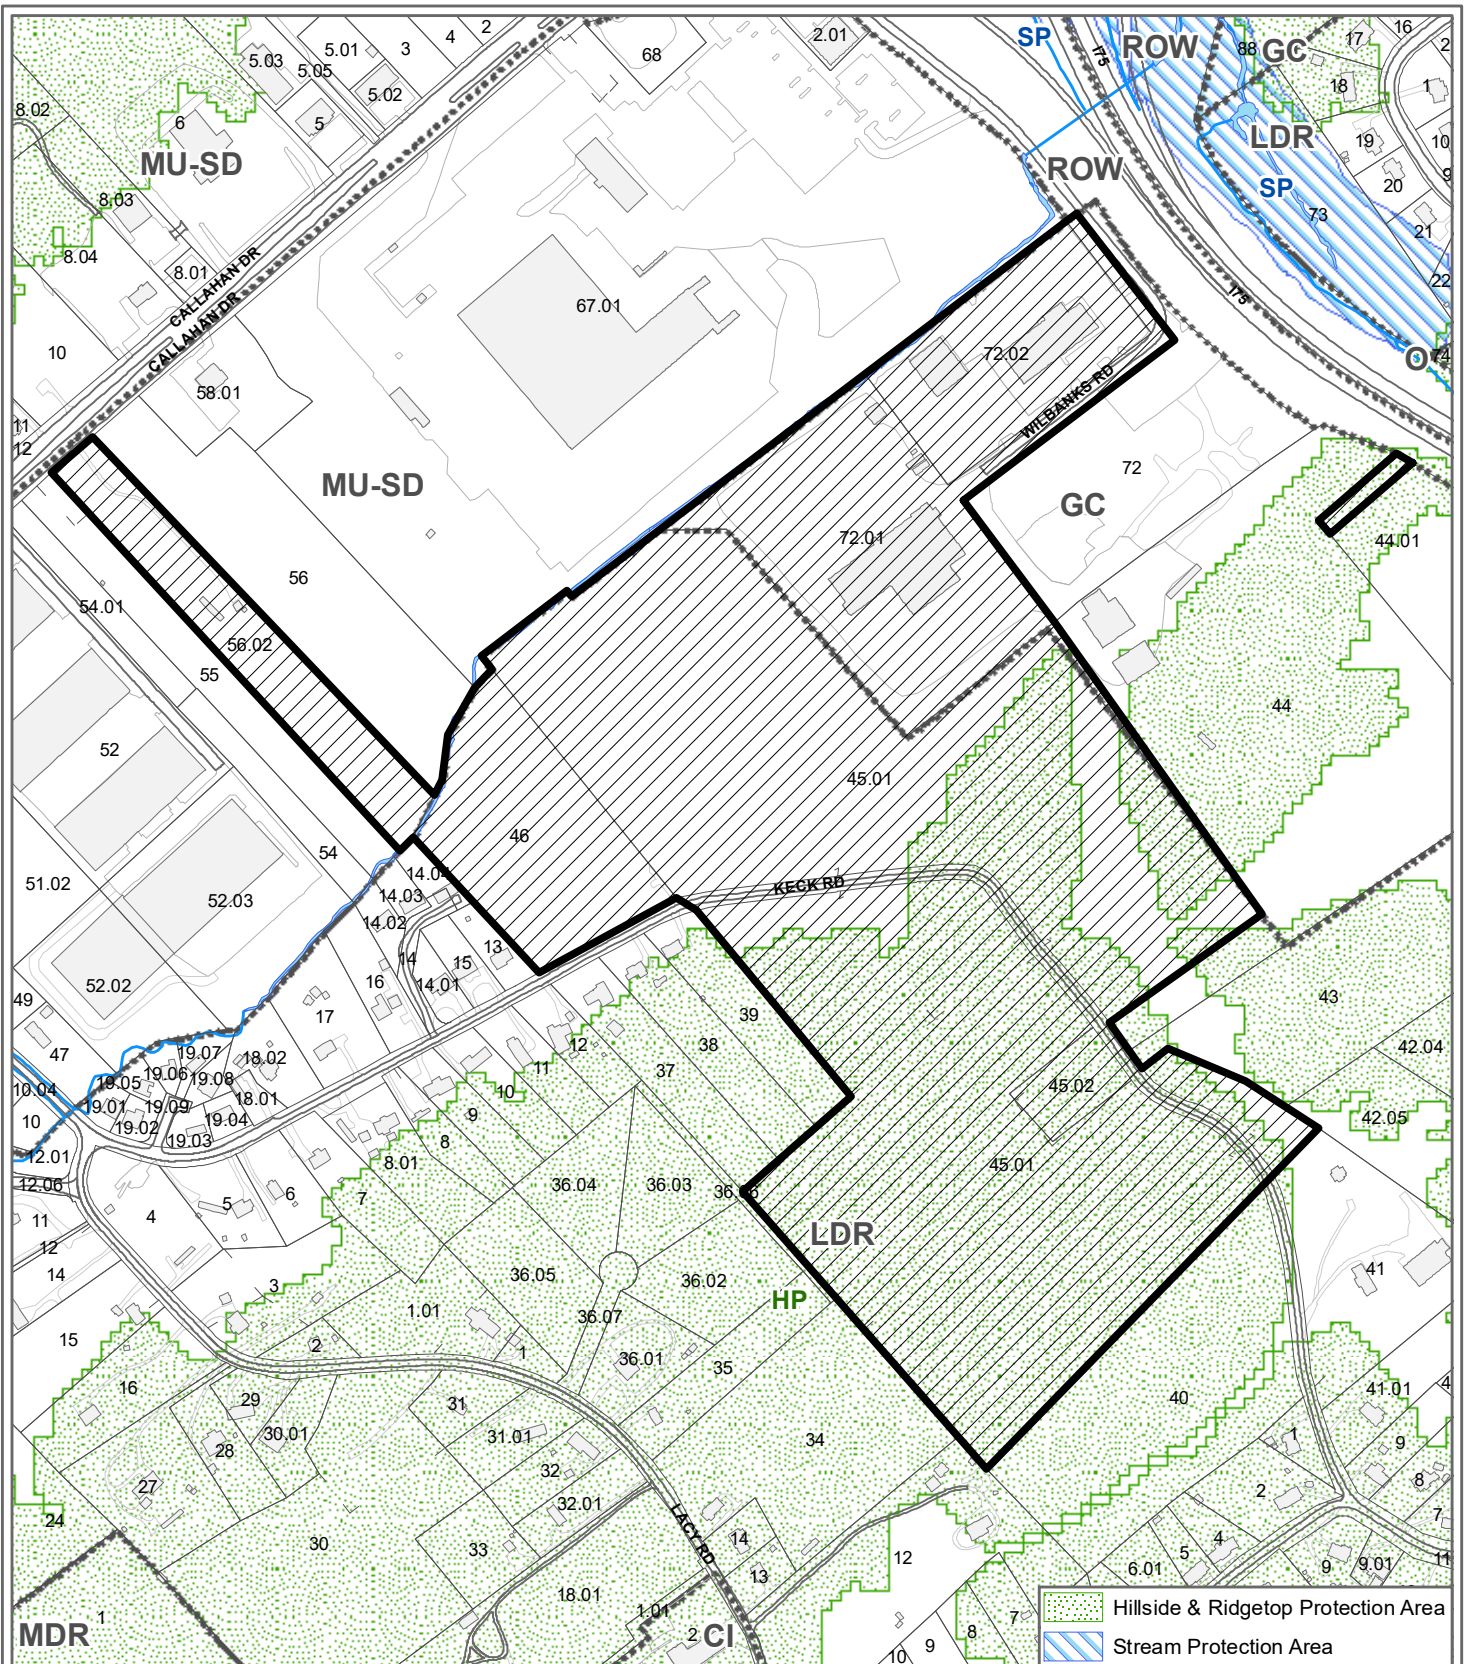

1. This proposal is consistent with the recommended amendment to expand the MU-SD NWC-1 (Callahan Drive Mixed Use Special District) / HP (Hillside Protection) as part of the Northwest City Sector Plan.

2. This amendment does not appear to be in conflict with any other adopted plans.

ESTIMATED TRAFFIC IMPACT: Not required.

ESTIMATED STUDENT YIELD: Not applicable.

If approved, this item will be forwarded to Knoxville City Council for action on 5/4/2021 and 5/18/2021. If denied, Knoxville-Knox County Planning Commission's action is final, unless the action to deny is appealed to Knoxville City Council. The date of the appeal hearing will depend on when the appeal application is filed. Appellants have 15 days to appeal a Planning Commission decision in the City.
