

REZONING REPORT

▶ **FILE #:** 10-K-23-RZ

AGENDA ITEM #: 34

AGENDA DATE: 10/5/2023

▶ **APPLICANT:** BB INVESTMENT PROPERTIES, LLC

OWNER(S): BB Investments Properties, LLC

TAX ID NUMBER: 90 116

[View map on KGIS](#)

JURISDICTION: County Commission District 6

STREET ADDRESS: 2713 BYINGTON BEAVER RIDGE RD

▶ **LOCATION:** West side of Byington Beaver Ridge Rd, north of Byington Solway Rd

▶ **APPX. SIZE OF TRACT:** 4.97 acres

SECTOR PLAN: Northwest County

GROWTH POLICY PLAN: Planned Growth Area

ACCESSIBILITY: Access is via Byington Beaver Ridge Rd, a major collector with a 21-ft pavement width within a 50-ft right-of-way.

UTILITIES: Water Source: West Knox Utility District

Sewer Source: West Knox Utility District

WATERSHED: Beaver Creek

▶ **PRESENT ZONING:** RA (Low Density Residential)

▶ **ZONING REQUESTED:** PR (Planned Residential)

▶ **EXISTING LAND USE:** Rural Residential

▶ **DENSITY PROPOSED:** up to 5 du/ac

EXTENSION OF ZONE: No it is not an extension.

HISTORY OF ZONING: None noted.

SURROUNDING LAND USE AND ZONING: North: Rural residential - RA (Low density residential)

South: Agriculture/Forestry/Vacant Land, single family residential & industrial - I (Industrial)

East: Single family residential - RA (Low density residential)

West: Industrial (Manufacturing) - I (Industrial)

NEIGHBORHOOD CONTEXT: The area has rail lines making it ideal for industrial uses. There are several large manufacturing businesses in close proximity. There are also several housing options including a manufactured home park, duplexes, single family residential homes and nearby schools.

STAFF RECOMMENDATION:

▶ **Approve the PR (Planned Residential) zone up to 4 du/ac because it is consistent with the sector plan and surrounding development, subject to one condition.**

1. Provide a Type "A" landscape screen within a landscape buffer strip a minimum of fifteen (15) feet in width adjacent to industrial property to the west. Exhibit A.

COMMENTS:

PURSUANT TO THE KNOX COUNTY ZONING ORDINANCE, ARTICLE 6.30.01, THE FOLLOWING CONDITIONS MUST BE MET FOR ALL REZONINGS (must meet all of these):

THE PROPOSED AMENDMENT SHALL BE NECESSARY BECAUSE OF SUBSTANTIALLY CHANGED OR CHANGING CONDITIONS IN THE AREA AND DISTRICTS AFFECTED, OR IN THE COUNTY GENERALLY:

1. The surrounding properties have not substantially changed over the 10 - 20 years. It is located within 1 mile of Karns High and Karns Elementary Schools.
2. Historical aerials show that sometime between 2016 and 2018, Karns Valley Drive, a major arterial, was extended south of Oak Ridge Highway to connect to Westcott Boulevard. Karns Valley Drive is part of a network of classified streets in this area. Its connection to Westcott Drive increases accessibility of this property, as Westcott Drive connects to Byington Beaver Ridge Road via Byington Solway Road.
3. The Development Corporation developed the Karns Valley Business Park north of Karns High School in 2020.

THE PROPOSED AMENDMENT SHALL BE CONSISTENT WITH THE INTENT AND PURPOSE OF THE APPLICABLE ZONING ORDINANCE:

1. The PR zone provides flexibility for residential development. The subject property is consistent with the PR zone.
2. The average lot sizes allowed in the PR zone up to 4 du/ac are consistent with development in the area.

THE PROPOSED AMENDMENT SHALL NOT ADVERSELY AFFECT ANY OTHER PART OF THE COUNTY, NOR SHALL ANY DIRECT OR INDIRECT ADVERSE EFFECTS RESULT FROM SUCH AMENDMENT.

1. This property is in an area with a mix of residential zones and densities along with industrial and civic uses. There is a large industrial node to the south, and this property abuts the I (Industrial) zone.
2. The minimum lot size requirement of the property's current RA zone equates to a density of 4.356 du/ac. The recommendation to approve the PR zone at 4 du/ac keeps the density similar to what the property currently has. However, the PR zone allows clustering, which would enable dwellings to be built farther from the I zone.
3. Built out at 4 du/ac, this property could be developed with approximately 19 dwelling units. The current RA zoning could allow up to 21 dwellings. The requested density of 5 du/ac could allow up to 25 dwellings.
4. Development plan approval is required in the PR zone.
5. Access would be on Byington Beaver Ridge Road. Byington Beaver Ridge Road is managed by TDOT and will need to approve any access.
6. The property is located within the parental responsibility zone however there are no sidewalks leading up to either school.
7. There appears to be a blue line stream near the front of the property behind the existing house. Site plans would be required to meet the requirements of the Knox County Stormwater Ordinance.

THE PROPOSED AMENDMENT SHALL BE CONSISTENT WITH AND NOT IN CONFLICT WITH THE GENERAL PLAN OF KNOXVILLE AND KNOX COUNTY, INCLUDING ANY OF ITS ELEMENTS, MAJOR ROAD PLAN, LAND USE PLAN, COMMUNITY FACILITIES PLAN, AND OTHERS:

1. The subject property is designated LDR (Low Density Residential) land use classification in the Northwest County Sector Plan, which allows consideration of the PR zone in the Planned Growth Boundary of the Growth Policy Plan.
2. Growth Plan Policy 9.5 - Avoid locating residences or other noise-sensitive land uses in locations that will be subject to excessive noise. - - The subject property could be subject to excessive noise from the industrial businesses. The property to the south is currently vacant and well-vegetated, providing a natural buffer. In the event that the property is developed for industrial uses a landscape screen would be required by article 4.10.11. The property to the west does not currently have a buffer and staff recommend requiring a Type A buffer as a condition of approval.
3. The proposed rezoning is consistent with the Growth Plan's development policy 9.8 - Encourage a mixture of housing sizes and prices within planned residential developments.

ESTIMATED TRAFFIC IMPACT: 240 (average daily vehicle trips)

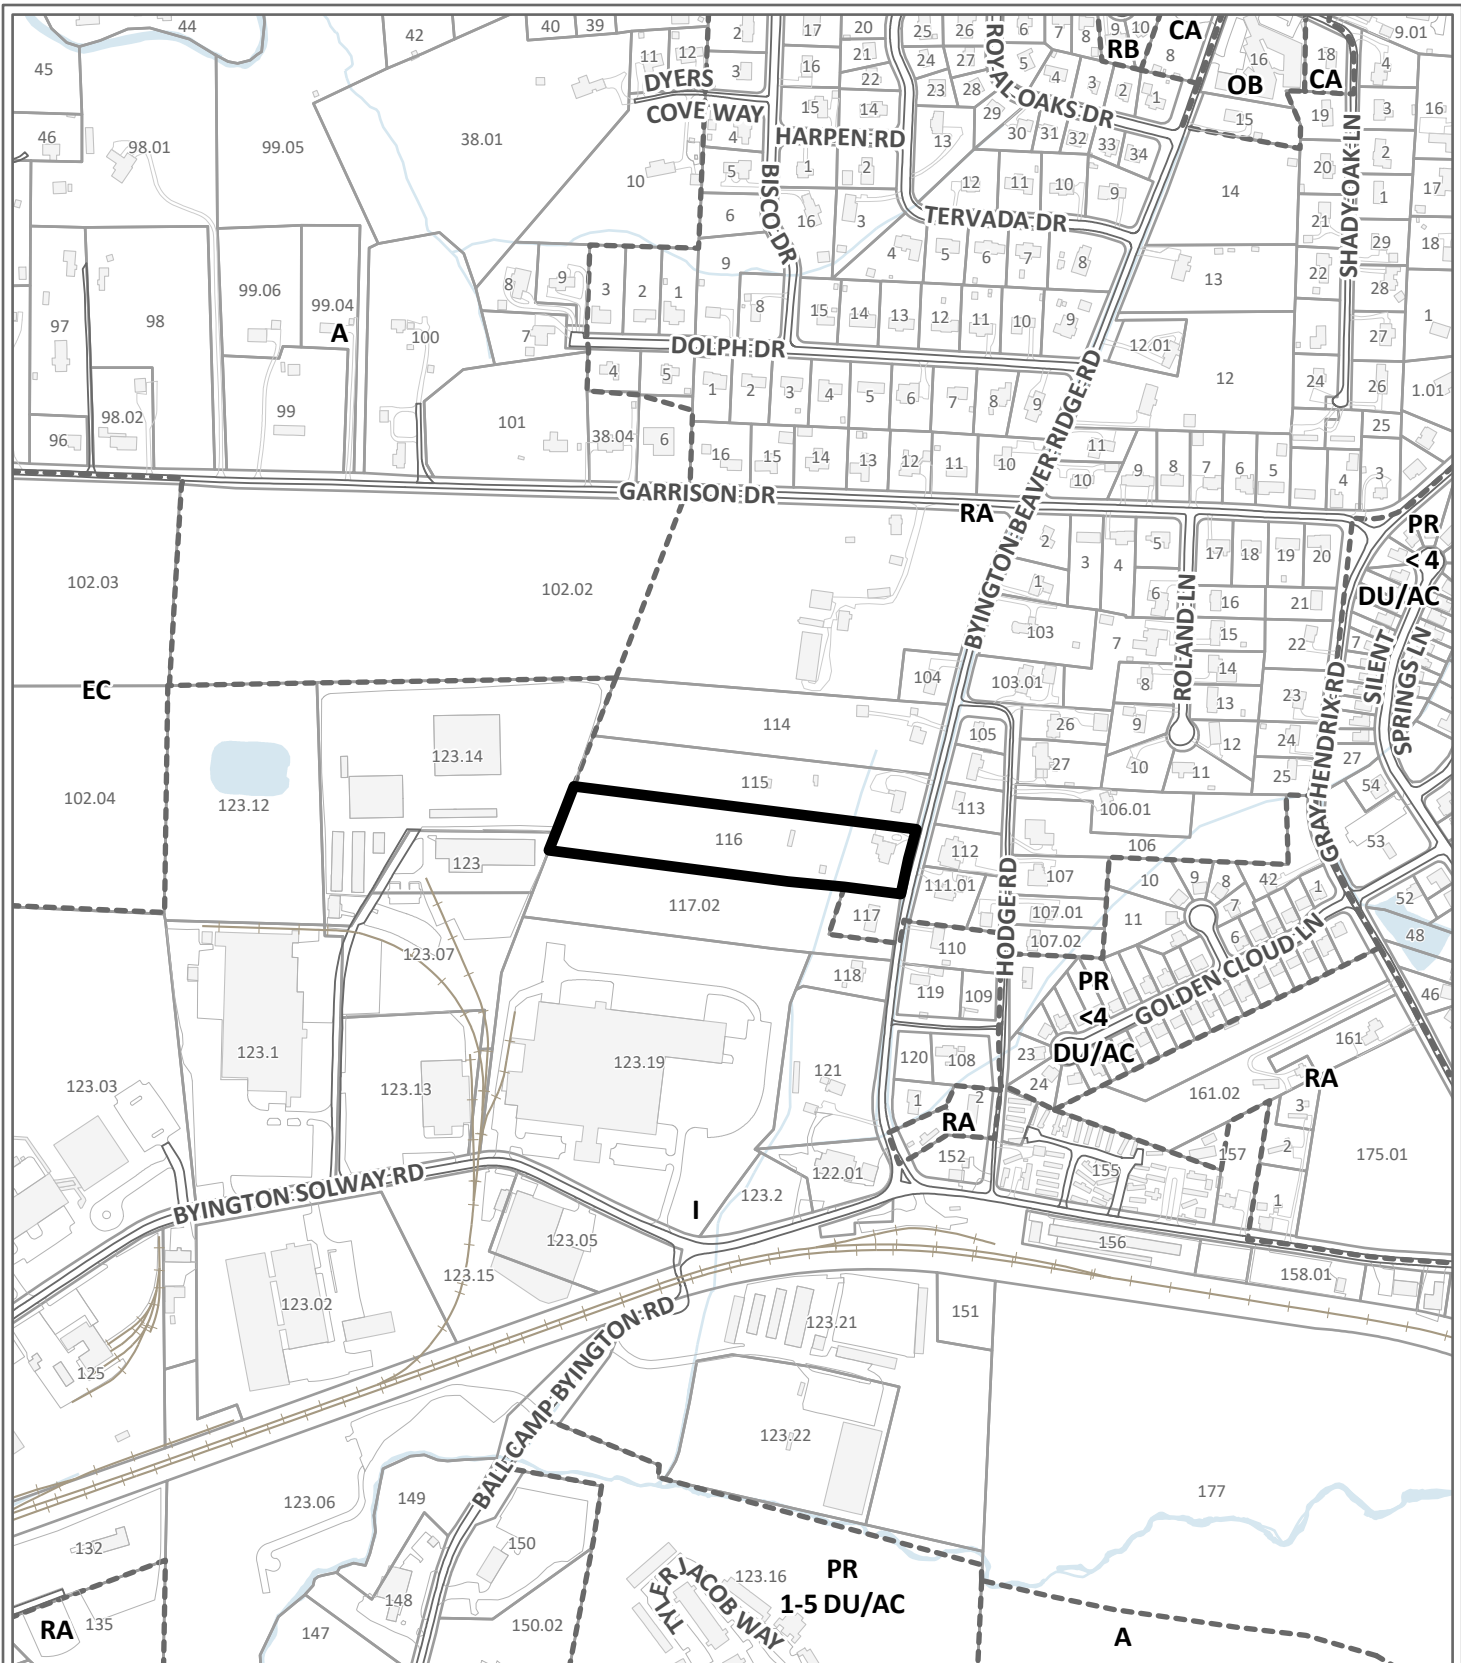

Average Daily Vehicle Trips are computed using national average trip rates reported in the latest edition of "Trip Generation," published by the Institute of Transportation Engineers. Average Daily Vehicle Trips represent the total number of trips that a particular land use can be expected to generate during a 24-hour day (Monday through Friday), with a "trip" counted each time a vehicle enters or exits a proposed development.

ESTIMATED STUDENT YIELD: 9 (public school children, grades K-12)

Schools affected by this proposal: Karns Elementary, Karns Middle, and Karns High.

- Potential new school population is estimated using locally-derived data on public school student yield generated by new housing.
- Students are assigned to schools based on current attendance zones as determined by Knox County Schools. Students may request transfers to different zones, and zone boundaries are subject to change.
- Estimates presume full build-out of the proposed development. Build-out is subject to market forces, and timing varies widely from proposal to proposal.
- Student yields from new development do not reflect a net addition of children in schools. Additions occur incrementally over the build-out period. New students may replace current population that ages through the system or moves from the attendance zone.

If approved, this item will be forwarded to Knox County Commission for action on 11/20/2023. If denied, Knoxville-Knox County Planning Commission's action is final, unless the action to deny is appealed to Knox County Commission. The date of the appeal hearing will depend on when the appeal application is filed. Appellants have 30 days to appeal a Planning Commission decision in the County.

REZONING

10-K-23-RZ

Petitioner: BB Investment Properties, LLC

From: RA (Low Density Residential)

To: PR (Planned Residential)

Map No: 90

Jurisdiction: County

The Administrative Rules and Procedures of the Knoxville-Knox County Planning Commission require a sign to be posted on the property for each application subject to consideration by the Planning Commission, including the following applications: rezoning, plan amendment, concept plan, use on review/special use, planned development, right-of-way closure, and name change.

The required public notice sign(s) will be provided by Planning to the applicant when an application is submitted. If an application is submitted electronically, Planning staff will post the required sign. If a replacement sign(s) is needed, the applicant is responsible for picking up the new sign(s) from Planning and will be charged \$10 for each replacement.

LOCATION AND VISIBILITY

The sign must be posted on the nearest adjacent/frontage street and in a location clearly visible to vehicles traveling in either direction. If the property has more than one street frontage, the sign should be placed along the street that carries more traffic. Planning staff may recommend a preferred location for the sign to be posted at the time of application.

TIMING

The sign(s) must be posted **not less than 12 days prior to the scheduled Planning Commission public hearing** and must remain in place until the day after the meeting. In the case of a postponement, the sign can either remain in place or be removed and reposted not less than 12 days prior to the next Planning Commission meeting. The applicant is responsible for removing the sign after the application has been acted upon by the Planning Commission.

The individual below is responsible for posting and removing the sign(s) provided consistent with the above guidelines and between the dates of:

_____ 09/22/2023 _____ and _____ 10/06/2023 _____
 (applicant or staff to post sign) (applicant to remove sign)
