

REZONING REPORT

▶ FILE #: 9-G-23-RZ **AGENDA ITEM #:** 8
 POSTPONEMENT(S): 9/14/2023 **AGENDA DATE:** 10/5/2023
▶ APPLICANT: SMEE + BUSBY ARCHITECTS, P.C.
 OWNER(S): Buzz Goss Marble Alley Development LLC

TAX ID NUMBER: 95 I A 016, 017, 018, 019, 020 [View map on KGIS](#)
JURISDICTION: City Council District 6
STREET ADDRESS: 121 UNION AVE (0 STATE ST)
▶ LOCATION: Northeast quadrant of the intersection of Union Ave and State St
▶ APPX. SIZE OF TRACT: 1.12 acres
SECTOR PLAN: Central City
GROWTH POLICY PLAN: N/A (Within City Limits)
ACCESSIBILITY: Access is via local streets Union Avenue and State Street. Union Avenue has a pavement width that varies from 18 ft to 25 ft within a 40-ft right-of-way, while State Street has an approximate pavement width of 40 ft within a 56-ft right-of-way.
UTILITIES: Water Source: Knoxville Utilities Board
 Sewer Source: Knoxville Utilities Board
WATERSHED: First Creek

▶ PRESENT ZONING: DK-G (Downtown Knoxville District, Grid Subdistrict)
▶ ZONING REQUESTED: DK-B (Downtown Knoxville District, Boulevards Subdistrict)
▶ EXISTING LAND USE: Transportation/Communications/Utilities (parking lot)
▶ EXTENSION OF ZONE: No, this is not an extension.
HISTORY OF ZONING: In 2007, the D-1 (former Downtown Design Overlay) District was adopted over a large area downtown (Case # 2-P-07-RZ).
SURROUNDING LAND USE AND ZONING:

- North: Multifamily residential - DK-G (Downtown Knoxville, Grid Subdistrict)
- South: Transportation/communications/utilities (parking garage) - DK-G (Downtown Knoxville, Grid Subdistrict)
- East: Transportation/communications/utilities (KUB substation) - DK-G (Downtown Knoxville, Grid Subdistrict)
- West: Transportation/communications/utilities (parking lot) - DK-G (Downtown Knoxville, Grid Subdistrict)

NEIGHBORHOOD CONTEXT: The property is located in downtown Knoxville on the west side of James White Parkway. The area is characterized by the traditional 300 ft by 300 ft grid pattern typical of Knoxville's downtown, which includes a mix of uses including office, commercial, multifamily residential, and parking lots.

STAFF RECOMMENDATION:

▶ Deny the DK-B (Downtown Knoxville District, Boulevards) Subdistrict because the property is not

consistent with the district's intent.

COMMENTS:

PURSUANT TO THE CITY OF KNOXVILLE ZONING ORDINANCE, SECTION 16.1.E, THE FOLLOWING CONDITIONS MUST BE MET FOR ALL REZONINGS (must meet all of these):

THE PROPOSED AMENDMENT SHALL BE NECESSARY BECAUSE OF SUBSTANTIALLY CHANGED OR CHANGING CONDITIONS IN THE AREA AND DISTRICTS AFFECTED, OR IN THE CITY/COUNTY GENERALLY:

1. The proposed rezoning to the DK-G district is complementary to the increase in recent downtown residential and commercial developments.
2. There is an increased need for small-scale housing. The proposed development would help to meet this need.

THE PROPOSED AMENDMENT SHALL BE CONSISTENT WITH THE INTENT AND PURPOSE OF THE APPLICABLE ZONING ORDINANCE:

1. The proposed DK-B district is intended to accommodate those areas of Downtown Knoxville that have developed in a manner characterized by wide, planted boulevards, and a green, open landscape consisting of lawns, plazas and structures at variable setbacks.
2. The location and character of the subject property do not meet the zone's stated intent. State Street and Union Avenue have features and enclosures that are different than planted boulevards like Henley Street and Summit Hill Drive. They are also not characterized by open landscape consisting of lawns or plazas, unlike the portion of Main Street that has adjacent DK-B zoned parcels.
3. The proposed rezoning would not be an extension of the district. The nearest properties with DK-B zoning are along Summit Hill Drive and Henley Street.
4. Rezoning should be based on the entire range of uses allowed within a zone to ensure that any development brought forth at a future time would be compatible with the surrounding land uses.

THE PROPOSED AMENDMENT SHALL NOT ADVERSELY AFFECT ANY OTHER PART OF THE CITY, NOR SHALL ANY DIRECT OR INDIRECT ADVERSE EFFECTS RESULT FROM SUCH AMENDMENT:

1. The subject property currently features a surface parking lot. Redevelopment of this lot under the DK-B district standards would allow development that would be compatible with the area despite the different zoning designation from surrounding properties.
2. The dimensional and design standards of the DK-B and DK-G districts have some minor differences pertaining to the build-to-zone and transparency requirements. Adverse impacts stemming from these differences would not be expected.
3. One of the main differences between the requested DK-B and current DK-G districts is that the DK-B district would allow ground-floor residential development while the DK-G district would not. The addition of additional residential units would be a benefit to downtown and would not be expected to cause adverse impacts for the surrounding area.
4. The sector plan designation would remain MU-RC (Mixed Use Regional Center), which is the designation for all the surrounding properties.

THE PROPOSED AMENDMENT SHALL BE CONSISTENT WITH AND NOT IN CONFLICT WITH THE GENERAL PLAN OF KNOXVILLE AND KNOX COUNTY, INCLUDING ANY OF ITS ELEMENTS, MAJOR ROAD PLAN, LAND USE PLAN, COMMUNITY FACILITIES PLAN, AND OTHERS:

1. The proposed rezoning is consistent with the General Plan's development policy 8.1 that encourages growth in the existing urban area through infill housing opportunities.
2. The DK-B district is consistent with the One Year Plan and Central City Sector Plan's MU-RC land use classification.

ESTIMATED TRAFFIC IMPACT: Not required.

ESTIMATED STUDENT YIELD: Not applicable.

If approved, this item will be forwarded to Knoxville City Council for action on 11/14/2023 and 11/28/2023. If denied, Knoxville-Knox County Planning Commission's action is final, unless the action to deny is appealed to Knoxville City Council. The date of the appeal hearing will depend on when the appeal application is filed. Appellants have 15 days to appeal a Planning Commission decision in the City.

Property Owner Signature

Date Paid

The Administrative Rules and Procedures of the Knoxville-Knox County Planning Commission require a sign to be posted on the property for each application subject to consideration by the Planning Commission, including the following applications: rezoning, plan amendment, concept plan, use on review/special use, planned development, right-of-way closure, and name change.

The required public notice sign(s) will be provided by Planning to the applicant when an application is submitted. If an application is submitted electronically, Planning staff will post the required sign. If a replacement sign(s) is needed, the applicant is responsible for picking up the new sign(s) from Planning and will be charged \$10 for each replacement.

LOCATION AND VISIBILITY

The sign must be posted on the nearest adjacent/frontage street and in a location clearly visible to vehicles traveling in either direction. If the property has more than one street frontage, the sign should be placed along the street that carries more traffic. Planning staff may recommend a preferred location for the sign to be posted at the time of application.

TIMING

The sign(s) must be posted **not less than 12 days prior to the scheduled Planning Commission public hearing** and must remain in place until the day after the meeting. In the case of a postponement, the sign can either remain in place or be removed and reposted not less than 12 days prior to the next Planning Commission meeting. The applicant is responsible for removing the sign after the application has been acted upon by the Planning Commission.

The individual below is responsible for posting and removing the sign(s) provided consistent with the above guidelines and between the dates of:

_____ 09/01/2023 _____ and _____ 09/15/2023 _____
 (applicant or staff to post sign) (applicant to remove sign)
