NEIGHBORHOOD CONTEXT:	This area along Thorn Grove Pike is mostly comprised of single family residential uses with a few multifamily and commercial uses mixed in. Marbledale Baptist Church is located nearby to east of the subject property.		

STAFF RECOMMENDATION:

• Deny the CN (Neighborhood Commercial) zone because it does not meet all the criteria for a rezoning.

COMMENTS:

PURSUANT TO THE KNOX COUNTY ZONING ORDINANCE, ARTICLE 6.30.01, THE FOLLOWING CONDITIONS MUST BE MET FOR ALL REZONINGS (must meet all of these):

THE PROPOSED AMENDMENT SHALL BE NECESSARY BECAUSE OF SUBSTANTIALLY CHANGED OR CHANGING CONDITIONS IN THE AREA AND DISTRICTS AFFECTED, OR IN THE CITY/COUNTY GENERALLY:

AGENDA ITEM #: 7 FILE #: 6-I-24-RZ 7/1/2024 02:34 PM SAMIUL HAQUE PAGE #:	7-1
---	-----

1. There have not been any substantial changes in the area in recent years which warrants the proposed amendment. The area remains rural in character and is primarily composed of houses on larger than half-acre lots along Thorn Grove Pike, abutting undeveloped forested lands away from the street.

2. On the south side of Thorn Grove Pike, there is a series of CA (General Commercial) zoned properties. However, the majority of these properties have not been developed as commercial uses and KGIS aerial views indicate that no new commercial developments have been added to this area in at least the last ten years.

THE PROPOSED AMENDMENT SHALL BE CONSISTENT WITH THE INTENT AND PURPOSE OF THE APPLICABLE ZONING ORDINANCE:

 The CN zone intends to accommodate limited retail and service uses in a manner convenient to and yet not disruptive to established residential neighborhoods. It is intended to provide for the recurring shopping and personal service needs of nearby residential areas. This zone should generally be placed at street intersections that include either a collector or arterial street, as close to the edge of the neighborhood as possible.
 The subject property does not meet the location criteria within the intent statement of the district. The property is located neither at an intersection nor at the edge of an established neighborhood. Furthermore, it can be argued that the area does not have enough residential density to warrant the addition of more commercially zoned properties.

3. Rezonings should be based on the entire range of uses allowed within a zone to ensure that any development brought forth at a future time would be compatible with the surrounding land uses.

PROPOSED AMENDMENT SHALL NOT ADVERSELY AFFECT ANY OTHER PART OF THE COUNTY, NOR SHALL ANY DIRECT OR INDIRECT ADVERSE EFFECTS RESULT FROM SUCH AMENDMENT: 1. The addition of another commercially zoned parcel would constitute encroachment into this rural, residential

area.

2. An approximate 1.8-acre portion in the rear of the property has the HP (Hillside Protection) designation with moderate slopes. New developments should be respectful of the topography and existing vegetation of the property.

THE PROPOSED AMENDMENT SHALL BE CONSISTENT WITH AND NOT IN CONFLICT WITH THE COMPREHENSIVE PLAN OF KNOX COUNTY, INCLUDING ANY OF ITS ELEMENTS, MAJOR ROAD PLAN, LAND USE PLAN, COMMUNITY FACILITIES PLAN, AND OTHERS:

1. The subject property is designated as the RL (Rural Living) place type. The RL place type does list the CN zone as a partially related zone, so it can be considered by the Planning Commission. However, "partially related" just means a zone may be appropriate in some locations within the place types but may not be appropriate in others. Planning believes the CN zone would not be appropriate at this location as the property does not meet the stated criteria of the CN zone description and it would be an encroachment of a residential zone in a rural, residential area.

2. The requested CN zone is consistent with the 2024 Growth Policy Plan, Policy 4.2 pertaining to the Rural Areas, which requires rezonings to be limited to zoning districts that are consistent with one of the rural place types, which includes the property's RL (Rural Living) designation.

3. The property has thick vegetation along Thorn Grove Pike, which contributes to the rural character of the area. The East County Community Plan identifies this road as a 'Rural Corridor'. The plan recommends limiting infrastructure expansion on this corridor to preserve the rural look and feel.

ESTIMATED TRAFFIC IMPACT: Not required.

ESTIMATED STUDENT YIELD: Not applicable.

If approved, this item will be forwarded to Knox County Commission for action on 8/19/2024. If denied, Knoxville-Knox County Planning Commission's action is final, unless the action to deny is appealed to Knox County Commission. The date of the appeal hearing will depend on when the appeal application is filed. Appellants have 30 days to appeal a Planning Commission decision in the County.

Sign Posting & Removal Requirement

Revised April 2021

The Administrative Rules and Procedures of the Knoxville-Knox County Planning Commission require a sign to be posted on the property for each application subject to consideration by the Planning Commission, including the following applications: rezoning, plan amendment, concept plan, use on review/special use, planned development, right-of-way closure, and name change.

The required public notice sign(s) will be provided by Planning to the applicant when an application is submitted. If an application is submitted electronically, Planning staff will post the required sign. If a replacement sign(s) is needed, the applicant is responsible for picking up the new sign(s) from Planning and will be charged \$10 for each replacement.

LOCATION AND VISIBILITY

The sign must be posted on the nearest adjacent/frontage street and in a location clearly visible to vehicles traveling in either direction. If the property has more than one street frontage, the sign should be placed along the street that carries more traffic. Planning staff may recommend a preferred location for the sign to be posted at the time of application.

TIMING

The sign(s) must be posted **not less than 12 days prior to the scheduled Planning Commission public hearing** and must remain in place until the day after the meeting. In the case of a postponement, the sign can either remain in place or be removed and reposted not less than 12 days prior to the next Planning Commission meeting. The applicant is responsible for removing the sign after the application has been acted upon by the Planning Commission.

The individual below is responsible for posting and removing the sign(s) provided consistent with the above guidelines and between the dates of:

05/31/2024	and	06/14/2024
