--------------------------------	------------------------------------

HISTORY OF REQUESTS:	In 1983, the property was rezoned from R-2 (General Residential) to R-1 (Low Density Residential) as part of a government rezoning for a larger area (10-N-83-RZ). In 1986, the property was rezoned back to R-2 (7-G-86-RZ).

SURROUNDING LAND USE AND PLAN DESIGNATION:	North:	Single family residential - LDR (Low Density Residential)
	South:	Public/quasi public land (fire station), single family residential - CI (Civic/Institutional), LDR (Low Density Residential)
	East:	Single family residential - LDR (Low Density Residential)
	West:	Single family residential - LDR (Low Density Residential)

NEIGHBORHOOD CONTEXT	The property is located in Fountain City north of the Historic Gibbs Drive neighborhood. The area is primarily comprised of single family detached homes and duplexes. Central High School is located in the next block to the west side.
----------------------	---

---

**STAFF RECOMMENDATION:**

- **Postpone the application for 30 days to be heard at the Planning Commission meeting on August 8, 2024, as requested by the applicant.**

ESTIMATED TRAFFIC IMPACT: Not required.

ESTIMATED STUDENT YIELD: Not applicable.

Schools affected by this proposal: Fountain City Elementary, Gresham Middle, and Central High.

- Potential new school population is estimated using locally-derived data on public school student yield generated by new housing.
- Students are assigned to schools based on current attendance zones as determined by Knox County Schools. Students may request transfers to different zones, and zone boundaries are subject to change.
- Estimates presume full build-out of the proposed development. Build-out is subject to market forces, and timing varies widely from proposal to proposal.
- Student yields from new development do not reflect a net addition of children in schools. Additions occur incrementally over the build-out period. New students may replace current population that ages through the system or moves from the attendance zone.

If approved, this item will be forwarded to Knoxville City Council for action on 8/6/2024 and 8/20/2024. If denied, Knoxville-Knox County Planning Commission's action is final, unless the action to deny is appealed to Knoxville City Council. The date of the appeal hearing will depend on when the appeal application is filed. Appellants have 15 days to appeal a Planning Commission decision in the City.

The Administrative Rules and Procedures of the Knoxville-Knox County Planning Commission require a sign to be posted on the property for each application subject to consideration by the Planning Commission, including the following applications: rezoning, plan amendment, concept plan, use on review/special use, planned development, right-of-way closure, and name change.

The required public notice sign(s) will be provided by Planning to the applicant when an application is submitted. If an application is submitted electronically, Planning staff will post the required sign. If a replacement sign(s) is needed, the applicant is responsible for picking up the new sign(s) from Planning and will be charged \$10 for each replacement.

## TIMING

In the case of a postponement, the sign can either remain in place or be removed and reposted not less than 12 days prior to the next Planning Commission meeting. The applicant is responsible for removing the sign after the application has been acted upon by the Planning Commission.

***The individual below is responsible for posting and removing the sign(s) provided consistent with the above guidelines and between the dates of:***
