The Technology Overlay zone requires development plan approval from the Tennessee Technology Corridor Development Authority based on design guideline review. This case was scheduled to be heard concurrently at the March TTCDA meeting (Case 2-A-24-TOB), but the applicant has requested postponement from the TTCDA, as well.

ESTIMATED TRAFFIC IMPACT: Not required.

ESTIMATED STUDENT YIELD: Not applicable.

The Planning Commission's approval or denial of this development plan request is final, unless the action is appealed either to the Board of Zoning Appeals or to a court of competent jurisdiction within thirty (30) days of the decision being appealed (Knox County, Tennessee Code of Ordinances, Appendix A, Zoning, 6.50.08).

The applicant is responsible for removing the sign after the application has been acted upon by the Planning Commission.

The individual below is responsible for posting and removing the sign(s) provided consistent with the above guidelines and between the dates of:
