STAFF RECOMMENDATION:

► Postpone the application for 30 days to be heard at the June 13, 2024 Planning Commission meeting, as requested by the applicant.

COMMENTS:

This request is for a 6-lot subdivision on this 8.05-acre property in the RN-1 district, with five duplexes proposed on individual lots. The property had a concept plan approved in 2014 for 18 single-family detached lots (1-SB-14-C, 5-A-16-OB), which has expired.

ESTIMATED TRAFFIC IMPACT: 120 (average daily vehicle trips)

Average Daily Vehicle Trips are computed using national average trip rates reported in the latest edition of "Trip Generation," published by the Institute of Transportation Engineers. Average Daily Vehicle Trips represent the total number of trips that a particular land use can be expected to generate during a 24-hour day (Monday through Friday), with a "trip" counted each time a vehicle enters or exits a proposed development.

ESTIMATED STUDENT YIELD: 1 (public school children, grades K-12)

Schools affected by this proposal: Norwood Elementary, Northwest Middle, and Powell High.

- Potential new school population is estimated using locally-derived data on public school student yield generated by new housing.
- Students are assigned to schools based on current attendance zones as determined by Knox County Schools. Students may request transfers to different zones, and zone boundaries are subject to change.
- Estimates presume full build-out of the proposed development. Build-out is subject to market forces, and timing varies widely from proposal to proposal.
- Student yields from new development do not reflect a net addition of children in schools. Additions occur incrementally over the build-out period. New students may replace current population that ages through the system or moves from the attendance zone.

Knoxville-Knox County Planning Commission's approval or denial of this concept plan request is final, unless the action is appealed to Knox County Chancery Court. The date of the Knox County Chancery Court hearing will depend on when the appeal application is filed.

Knoxville-Knox County Planning Commission's approval or denial of this special use request is final, unless the action is appealed to the Knoxville City Council. The date of the Knoxville City Council hearing will depend on when the appeal application is filed.
