ALTERNATIVE DESIGN STANDARD: None

STAFF RECOMMENDATION:

▶ Postpone this application for 30 days to be heard at the November 14, 2024 Planning Commission meeting to allow time for required revisions.

COMMENTS:

This request is for a 6-lot subdivision on this 8.05-acre property in the RN-1 district, with five duplexes proposed on individual lots. Two separate duplex designs are proposed for different lots, each of which is two-stories with front-facing garages.

BACKGROUND: The property had a concept plan approved in 2006 for 18 single-family detached lots (1-SD-06-C, revision 10-SE-06-C). Between 2007-2010, significant grading work and construction of a public right-of-way, Peppercorn Lane, was completed on the site. However, it was determined that the improvements did not meet the City of Knoxville's public street standards and would not be accepted by the City as a public street. The project was abandoned at that time and the right-of-way was put back into private ownership via street closure (12-A-12-SC and 12-B-12-SC). With a change of ownership, a revised concept plan was approved for this property in 2014 (1-SB-14-C, extension 5-A-16-OB), which expired in May 2018.

The current proposal uses the same road layout that was constructed previously. The road design does not meet Engineering standards. Therefore, staff is recommending postponement to allow more time for revisions.

ESTIMATED TRAFFIC IMPACT: 120 (average daily vehicle trips)

Average Daily Vehicle Trips are computed using national average trip rates reported in the latest edition of "Trip Generation," published by the Institute of Transportation Engineers. Average Daily Vehicle Trips represent the total number of trips that a particular land use can be expected to generate during a 24-hour day (Monday through Friday), with a "trip" counted each time a vehicle enters or exits a proposed development.

ESTIMATED STUDENT YIELD: 1 (public school children, grades K-12)

Schools affected by this proposal: Norwood Elementary, Northwest Middle, and Powell High.

- Potential new school population is estimated using locally-derived data on public school student yield generated by new housing.
- Students are assigned to schools based on current attendance zones as determined by Knox County Schools. Students may request transfers to different zones, and zone boundaries are subject to change.
- Estimates presume full build-out of the proposed development. Build-out is subject to market forces, and timing varies widely from proposal to proposal.
- Student yields from new development do not reflect a net addition of children in schools. Additions occur incrementally over the build-out period. New students may replace current population that ages through the system or moves from the attendance zone.

Knoxville-Knox County Planning Commission's approval or denial of this concept plan request is final, unless the action is appealed to Knox County Chancery Court. The date of the Knox County Chancery Court hearing will depend on when the appeal application is filed.

Knoxville-Knox County Planning Commission's approval or denial of this special use request is final, unless the action is appealed to the Knoxville City Council. The date of the Knoxville City Council hearing will depend on when the appeal application is filed.

I declare under penalty of perjury the foregoing [i.e., he/she/they is/are the owner of the property and that the application and all associated materials are being submitted with his/her/their consent] is true and correct.

The Administrative Rules and Procedures of the Knoxville-Knox County Planning Commission require a sign to be posted on the property for each application subject to consideration by the Planning Commission, including the following applications: rezoning, plan amendment, concept plan, use on review/special use, planned development, right-of-way closure, and name change.

The required public notice sign(s) will be provided by Planning to the applicant when an application is submitted. If an application is submitted electronically, Planning staff will post the required sign. If a replacement sign(s) is needed, the applicant is responsible for picking up the new sign(s) from Planning and will be charged \$10 for each replacement.

LOCATION AND VISIBILITY

The sign must be posted on the nearest adjacent/frontage street and in a location clearly visible to vehicles traveling in either direction. If the property has more than one street frontage, the sign should be placed along the street that carries more traffic. Planning staff may recommend a preferred location for the sign to be posted at the time of application.

TIMING

The sign(s) must be posted **not less than 12 days prior to the scheduled Planning Commission public hearing** and must remain in place until the day after the meeting. In the case of a postponement, the sign can either remain in place or be removed and reposted not less than 12 days prior to the next Planning Commission meeting. The applicant is responsible for removing the sign after the application has been acted upon by the Planning Commission.

The individual below is responsible for posting and removing the sign(s) provided consistent with the above guidelines and between the dates of:

_____ 04/26/2024 _____ and _____ 05/10/2024 _____
 (applicant or staff to post sign) (applicant to remove sign)
